Reg. No.: 14-011658
Issue No.: 1008
Case No.: [REDACTED]
Hearing Date: October 09, 2014
County: Kalamazoo

ADMINISTRATIVE LAW JUDGE: Kevin Scully

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 following Claimant's request for a hearing. After due notice, a telephone hearing was held on October 9, 2014, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED]. Participants on behalf of Department of Human Services (Department) included [REDACTED], [REDACTED], [REDACTED]

Whether the Department of Human Services (Department) properly sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with employment and/or self-sufficiency related activities?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Family Independence Program (FIP) recipient until October 1, 2014.
2. The Department referred the Claimant to the Partnership Accountability Training Hope (PATH) program as a condition of receiving FIP benefits.
3. The Claimant was found to be noncompliant with the PATH program when she submitted a falsified job search log.
4. The Department conducted a triage meeting on September 4, 2014.
5. On August 29, 2014, the Department notified the Claimant that it would sanction her FIP benefits as of October 1, 2014, and imposing a lifetime disqualification.
6. The Department received the Claimant's request for a hearing on September 4, 2014, protesting the sanctioning of her FIP benefits.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Federal and state laws require each work eligible individual (WEI) in the FIP group to participate in Partnership. Accountability. Training. Hope. (PATH) or other employment-related activity unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency related activities to increase their employability and obtain employment. PATH is administered by the Workforce Development Agency, State of Michigan through the Michigan one-stop service centers. PATH serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. PATH case managers use the One-Stop Management Information System (OSMIS) to record the clients' assigned activities and participation. Department of Human Services Bridges Eligibility Manual (BEM) 230A (October 1, 2013), p 1.

A WEI who refuses, without good cause, to participate in assigned employment and/or other self-sufficiency related activities is subject to penalties. BEM 230A, p 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- Failing or refusing to:
 - Provide legitimate documentation of work participation.
 - Participate in employment and/or self-sufficiency-related activities.
 - Participate in required activity.
 - Complete a job application.
 - Department of Human Services Bridges Eligibility Manual (BEM) 233A (July 1, 2013), pp 2-3.

Good cause is a valid reason for noncompliance with employment and/ or self-sufficiency related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. BEM 233A, pp 3-4.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

The penalty for noncompliance without good cause is FIP EDG closure. Effective October 1, 2011, the following minimum penalties apply:

- For the individual's first occurrence of noncompliance, Bridges closes the FIP EDG for not less than three calendar months.
- For the individual's second occurrence of noncompliance, Bridges closes the FIP EDG for not less than six calendar months.
- For the individual's third occurrence of noncompliance, Bridges closes the FIP EDG for a lifetime sanction. BEM 233A.

If a participant is active FIP and FAP at the time of FIP noncompliance, determination of FAP good cause is based on the FIP good cause reasons outlined in BEM 233A. For the FAP determination, if the client does not meet one of the FIP good cause reasons, determine the FAP disqualification based on FIP deferral criteria only as outlined in BEM 230A, or the FAP deferral reason of care of a child under 6 or education. Department of Human Services Bridges Eligibility Manual (BEM) 233B (July 1, 2013), p 2.

A noncompliant person must serve a minimum one-month or six-month Food Assistance Program (FAP) disqualification period unless one of the criteria for ending a disqualification early exists. For individuals serving a lifetime sanction, Bridges will remove the FIP income from the FAP budget once the individual reaches their FIP lifetime time limit. Department of Human Services Bridges Eligibility Manual (BEM) 233B (July 1, 2013), p 10.

In this case, the Claimant was an ongoing Family Independence Program (FIP) recipient until October 1, 2014, and the Department had referred her to the PATH program as a condition of receiving FIP benefits. The Claimant was noncompliant with the PATH program when she submitted a falsified job search log. The Claimant's job search log contains an entry showing that she applied for work at a restaurant that was not in business at that time. The Department conducted a triage meeting on September 4, 2014, where the Claimant was given the opportunity to establish good cause for noncompliance with the PATH program. The Claimant did not attend the triage meeting, and the Department did not find good cause based on the information available at that meeting. On August 29, 2014, the Department notified the Claimant that it would apply a lifetime sanction to her Family Independence Program (FIP) benefits as of October 1, 2014.

The Claimant argued that she did not falsify her job search log but mistakenly entered the address of a closed restaurant on her log when she had actually applied for work at another restaurant.

The Claimant failed to provide evidence at the triage meeting support her claim that she did not falsify her job search log. The Claimant failed to provide sufficient evidence at her administrative hearing to support her claim that she was compliant with the Partnership. Accountability. Training. Hope. (PATH) program.

Based on the evidence and testimony available during the hearing, the Department's determination that the Claimant did not have good cause for her noncompliance with the PATH program is reasonable. The Department has established that it acted properly when it sanctioned the Claimant's FIP benefits for noncompliance with self-sufficiency related activities.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy when it sanctioned the Claimant's Family Independence Program (FIP) and Food Assistance Program (FAP) benefits for noncompliance with the Partnership. Accountability Training. Hope. (PATH) program.

The Department's FIP sanction is **AFFIRMED**. It is SO ORDERED.
