ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES**

IN THE MATTER OF:

[REDACTED]

Reg. No.: 14-002398
Issue No.: 2009; 4009
Case No.: [REDACTED]
Hearing Date: October 15, 2014
County: Wayne (18)

ADMINISTRATIVE LAW JUDGE: Christian Gardocki

HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, an in-person hearing was held on October 15, 2014 from Detroit, Michigan. [REDACTED] testified and appeared as Claimant's legal counsel and authorized hearing representative (AHR). Participants on behalf of the Department of Human Services (DHS) included [REDACTED], Specialist.

ISSUE

The issue is whether DHS properly terminated Claimant's Medical Assistance (MA) and State Disability Assistance (SDA) eligibility for the reason that Claimant is not a disabled individual.

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED], Claimant applied for MA and SDA benefits, including unspecified retroactive MA benefits from 8/2012.
2. Claimant's only basis for MA and SDA benefits was as a disabled individual.
3. On 2 [REDACTED] the Medical Review Team (MRT) determined that Claimant was not a disabled individual (see Exhibits 1-2).
4. On [REDACTED], DHS denied Claimant's application for MA and SDA benefits and mailed a Notice of Case Action informing Claimant of the denial.

5. On [REDACTED], Claimant's AHR requested a hearing disputing the denial of MA benefits.
6. On [REDACTED] SHRT determined that Claimant was not a disabled individual, in part, by application of Medical-Vocational Rule 204.00
7. On [REDACTED], an administrative hearing was held.
8. Claimant's AHR presented new medical documents (Exhibits A1-A115) at the hearing.
9. Claimant failed to attend the administrative hearing.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105. Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM) and Department of Human Services Bridges Eligibility Manual (BEM) and Department of Human Services Reference Tables Manual (RFT).

The Medicaid program is comprised of several sub-programs which fall under one of two categories; one category is FIP-related and the second category is SSI-related. BEM 105 (10/2010), p. 1. To receive MA under an SSI-related category, the person must be aged (65 or older), blind, disabled, entitled to Medicare or formerly blind or disabled. *Id.* Families with dependent children, caretaker relatives of dependent children, persons under age 21 and pregnant, or recently pregnant, women receive MA under FIP-related categories. *Id.* AMP is an MA program available to persons not eligible for Medicaid through the SSI-related or FIP-related categories though DHS does always offer the program to applicants. It was not disputed that Claimant's only potential category for Medicaid eligibility would be as a disabled individual.

Disability for purposes of MA benefits is established if one of the following circumstances applies:

- by death (for the month of death);
- the applicant receives Supplemental Security Income (SSI) benefits;
- SSI benefits were recently terminated due to financial factors;
- the applicant receives Retirement Survivors and Disability Insurance (RSDI) on the basis of being disabled; or

- RSDI eligibility is established following denial of the MA benefit application (under certain circumstances).
BEM 260 (7/2012) pp. 1-2

There was no evidence that any of the above circumstances apply to Claimant. Accordingly, Claimant may not be considered for Medicaid eligibility without undergoing a medical review process which determines whether Claimant is a disabled individual. *Id.*, p. 2.

Generally, state agencies such as DHS must use the same definition of SSI disability as found in the federal regulations. 42 CFR 435.540(a). Disability is federally defined as the inability to do any substantial gainful activity (SGA) by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. 20 CFR 416.905. A functionally identical definition of disability is found under DHS regulations. BEM 260 (7/2012), p. 8.

Substantial gainful activity means a person does the following:

- Performs significant duties, and
- Does them for a reasonable length of time, and
- Does a job normally done for pay or profit. *Id.*, p. 9.

Significant duties are duties used to do a job or run a business. *Id.* They must also have a degree of economic value. *Id.* The ability to run a household or take care of oneself does not, on its own, constitute substantial gainful activity. *Id.*

The person claiming a physical or mental disability has the burden to establish a disability through the use of competent medical evidence from qualified medical sources such as his or her medical history, clinical/laboratory findings, diagnosis/prescribed treatment, prognosis for recovery and/or medical assessment of ability to do work-related activities or ability to reason and make appropriate mental adjustments, if a mental disability is alleged. 20 CFR 413.913. An individual's subjective pain complaints are not, in and of themselves, sufficient to establish disability. 20 CFR 416.908; 20 CFR 416.929(a).

Federal regulations describe a sequential five step process that is to be followed in determining whether a person is disabled. 20 CFR 416.920. If there is no finding of disability or lack of disability at each step, the process moves to the next step. 20 CFR 416.920 (a)(4).

The first step in the process considers a person's current work activity. 20 CFR 416.920 (a)(4)(i). A person who is earning more than a certain monthly amount is ordinarily considered to be engaging in SGA. The monthly amount depends on whether a person is statutorily blind or not. "Current" work activity is interpreted to include all time since the date of application. The 2014 monthly income limit considered SGA for non-blind individuals is \$1,070.

Claimant failed to participate in the administrative hearing. A claimant's testimony is considered the best evidence to determine if employment income was received since the date of MA application. Barring a compelling excuse, a claimant seeking MA benefits based on disability is expected to testify concerning SGA. No compelling reasons were provided to excuse Claimant's lack of testimony and evidence concerning SGA.

It is found that Claimant failed to establish not receiving employment income amounting to SGA. Accordingly, it is found that Claimant is not disabled and that DHS properly denied Claimant's application for MA benefits.

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. DHS administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. DHS policies for SDA are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

SDA provides financial assistance to disabled adults who are not eligible for Family Independence Program (FIP) benefits. BEM 100 (1/2013), p. 4. The goal of the SDA program is to provide financial assistance to meet a disabled person's basic personal and shelter needs. *Id.* To receive SDA, a person must be disabled, caring for a disabled person, or age 65 or older. BEM 261 (1/2012), p. 1.

A person is disabled for SDA purposes if he/she:

- receives other specified disability-related benefits or services, see Other Benefits or Services below, or
- resides in a qualified Special Living Arrangement facility, or
- is certified as unable to work due to mental or physical disability for at least 90 days from the onset of the disability; or
- is diagnosed as having Acquired Immunodeficiency Syndrome (AIDS).

Id.

It has already been found that Claimant is not disabled for purposes of MA benefits based on a finding that Claimant failed to establish not receiving employment income amounting to SGA since applying for MA benefits. The analysis and finding applies equally for Claimant's SDA benefit application. It is found that Claimant is not a disabled individual for purposes of SDA eligibility and that DHS properly denied Claimant's application for SDA benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that DHS properly denied Claimant's MA and SDA benefit application dated [REDACTED] based on a determination that Claimant is not disabled. The actions taken by DHS are **AFFIRMED**.
