HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on November 6, 2014, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED]. Participants on behalf of the Department of Human Services (Department) included [REDACTED].

ISSUE

Did the Department properly deny the Claimant's application for Medical Assistance (MA)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On April 30, 2014, the Claimant applied for Medical Assistance (MA).
2. On April 30, 2014, the Department sent the Claimant a Verification Checklist (DHS-3503) requesting verification of all income by May 12, 2014.
3. On May 8, 2014, the Department received a one page document from the Claimant.
4. On May 23, 2014, the Department notified the Claimant that her application for Medical Assistance (MA) had been denied.
5. On August 21, 2014, the Department received the Claimant's request for a hearing protesting the denial of her application for Medical Assistance (MA).

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (April 1, 2014), p 5.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (July 1, 2014), pp 1-9.

On April 30, 2014, the Claimant applied for Medical Assistance (MA). On April 30, 2014, the Department sent the Claimant a Verification Checklist (DHS-3503) requesting verification of all income by May 12, 2014. On May 8, 2014, the Department received a one page document from the Claimant. On May 23, 2014, the Department notified the Claimant that her application for assistance had been denied for failure to provide the Department with information necessary to determine her eligibility to receive benefits.

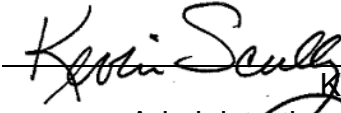

The Claimant testified that she sent three pages of income verification material to the Department on May 8, 2014, and that if the Department received one page it was due to a malfunction on the Department's end. The Claimant testified that she was not aware it was necessary to provide verification of income verification for employment that had ended.

Whether the Claimant made a reasonable attempt to verify her income on May 8, 2014, is not relevant because the Claimant did not provide verification of the earned income she reported on her application. The Department not only requires verification of continuing income, but it also requires verification of income that had recently ended. In this case, it was necessary for the Claimant to provide verification that the employment she reported on her application had ended, and when she failed to provide this information, the Department was unable to conduct a thorough eligibility review.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied the Claimant's application for Medical Assistance (MA).
