MICHIGAN ADMINISTRATIVE HEARING SYSTEM  
ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES**

**IN THE MATTER OF:**

[REDACTED]

Reg. No.: 14-013608  
Issue No.: 1008  
Case No.: [REDACTED]  
Hearing Date: November 13, 2014  
County: Charlevoix

**ADMINISTRATIVE LAW JUDGE:** Kevin Scully

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 following Claimant's request for a hearing. After due notice, a telephone hearing was held on November 13, 2014, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED] and [REDACTED]. Participants on behalf of Department of Human Services (Department) included [REDACTED].

Whether the Department of Human Services (Department) properly sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with employment and/or self-sufficiency related activities?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant applied for cash assistance on May 30, 2014.
2. On September 3, 2014, the Department's Medical Review Team (MRT) determined that the Claimant is not disabled but is work ready with precautions for seizures.
3. The Department referred the Claimant to the Partnership Accountability Training Hope (PATH) program as a condition of receiving FIP benefits and scheduled her for a September 12, 2014 orientation appointment.
4. The Claimant was noncompliant with the PATH program when she failed to attend or reschedule her September 12, 2014, orientation appointment.
5. The Department conducted a triage meeting on October 1, 2014.
6. On September 23, 2014, the Department notified the Claimant that it would sanction her FIP benefits as of November 1, 2014.

7. The Department received the Claimant's request for a hearing on October 7, 2014, protesting the sanctioning of her FIP benefits.

### **CONCLUSIONS OF LAW**

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Federal and state laws require each work eligible individual (WEI) in the FIP group to participate in Partnership. Accountability. Training. Hope. (PATH) or other employment-related activity unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency related activities to increase their employability and obtain employment. PATH is administered by the Workforce Development Agency, State of Michigan through the Michigan one-stop service centers. PATH serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. PATH case managers use the One-Stop Management Information System (OSMIS) to record the clients' assigned activities and participation. Department of Human Services Bridges Eligibility Manual (BEM) 230A (October 1, 2013), p 1.

A WEI who refuses, without good cause, to participate in assigned employment and/or other self-sufficiency related activities is subject to penalties. BEM 230A, p 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- Failing or refusing to:
  - Appear and participate with PATH or other employment service provider.
  - Appear for a scheduled appointment or meeting related to assigned activities.
  - Participate in employment and/or self-sufficiency-related activities.
  - Participate in required activity. Department of Human Services Bridges Eligibility Manual (BEM) 233A (July 1, 2013), pp 2-3.

Good cause is a valid reason for noncompliance with employment and/ or self-sufficiency related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. BEM 233A, pp 3-4.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

Good cause includes the following:

**Client Unfit:** The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

**Illness or Injury:** The client has a debilitating illness or injury, or a spouse or child's illness or injury requires in-home care by the client. BEM 233A.

The penalty for noncompliance without good cause is FIP EDG closure. Effective October 1, 2011, the following minimum penalties apply:

- For the individual's first occurrence of noncompliance, Bridges closes the FIP EDG for not less than three calendar months.
- For the individual's second occurrence of noncompliance, Bridges closes the FIP EDG for not less than six calendar months.
- For the individual's third occurrence of noncompliance, Bridges closes the FIP EDG for a lifetime sanction. BEM 233A.

If a participant is active FIP and FAP at the time of FIP noncompliance, determination of FAP good cause is based on the FIP good cause reasons outlined in BEM 233A. For the FAP determination, if the client does not meet one of the FIP good cause reasons, determine the FAP disqualification based on FIP deferral criteria only as outlined in BEM 230A, or the FAP deferral reason of care of a child under 6 or education. Department of Human Services Bridges Eligibility Manual (BEM) 233B (July 1, 2013), p 2.

A noncompliant person must serve a minimum one-month or six-month Food Assistance Program (FAP) disqualification period unless one of the criteria for ending a disqualification early exists. Department of Human Services Bridges Eligibility Manual (BEM) 233B (July 1, 2013), p 10.

In this case, the Claimant was an ongoing Family Independence Program (FIP) recipient until November 1, 2014. The Department had previously deferred the Claimant from participation in PATH activities because she claims to be disabled. On September 3, 2014, the Department's Medical Review Team (MRT) determined that the Claimant is not disabled but is work ready with limitations of taking precautions for seizures. The Department scheduled the Claimant for a September 12, 2014, orientation appointment. The Claimant was noncompliant with the PATH program when she failed to attend her PATH orientation appointment. The Department conducted a triage meeting on October 1, 2014, where the Claimant was given the opportunity to establish good cause for noncompliance with the PATH program. The Claimant participated

in the triage meeting, but the Department did not find good cause. On September 23, 2014, the Department notified the Claimant that it would sanction her Family Independence Program (FIP) benefits as of November 1, 2014.

The Claimant argued that she suffers from chronic seizures that prevent her from performing the activities of the PATH program, from obtaining any employment, and from performing any work.

The Claimant did not request a special accommodation that would have allowed her to participate in the PATH program despite her physical impairments. The Claimant did not attempt to participate in the PATH program at her scheduled appointment time. The Claimant failed to present sufficient evidence to establish that she is unable to perform any work related activities, or participate in the PATH program.

Based on the evidence and testimony available during the hearing, the Department's determination that the Claimant did not have good cause for her noncompliance with the PATH program is reasonable. The Department has established that it acted properly when it sanctioned the Claimant's FIP benefits for noncompliance with self-sufficiency related activities.

#### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy when it sanctioned the Claimant's Family Independence Program (FIP) benefits for noncompliance with the Partnership. Accountability Training. Hope. (PATH) program.

The Department's FIP sanction is **AFFIRMED**. It is SO ORDERED.
