Issue No.: 7001
Case No.: [REDACTED]
Hearing Date: December 04, 2014
County: Alpena

ADMINISTRATIVE LAW JUDGE: Kevin Scully

HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on December 4, 2014, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED]. Participants on behalf of the Department of Human Services (Department) included [REDACTED].

ISSUE

Did the Department properly deny the Claimant's request for Direct Support Services (DSS)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On May 23, 2014, the Claimant applied to the Department for assistance with automobile repairs, which are available under the Direct Support Services (DSS) program.
2. On August 21, 2014, the Department sent the Claimant written notice that the Claimant's request for assistance with automobile repairs had been denied.
3. On August 27, 2014, the Department received the Claimant's request for a hearing protesting the denial of Direct Support Services (DSS).

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

Direct Support Services (DSS) is established by the Social Welfare Act, MCL 400.1-.119b. The program is administered by the Department pursuant to MCL 400.10 and 400.57a and Mich Admin Code R 400.3603.

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness. The Michigan Administrative Hearing System (MAHS) may grant a hearing for any of the following:

MAHS may grant a hearing about any of the following:

- Denial of an application and/or supplemental payments.
- Reduction in the amount of program benefits or service.
- Suspension or termination of program benefits or service.
- Restrictions under which benefits or services are provided.
- Delay of any action beyond standards of promptness.
- For FAP only, the current level of benefits or denial of expedited service.
Department of Human Services Bridges Administrative Manual (BAM) 600 (March 1, 2014), p 4.

A request for hearing must be in writing and signed by the claimant, petitioner, or authorized representative. Rule 400.904(1). Moreover, the Department of Human Services Bridges Administrative Manual (BAM) 600 (March 1, 2014), p. 5, provides in relevant part as follows:

The client or authorized hearing representative has *90 calendar days from the date of the written notice of case action to request a hearing*. The request must be received anywhere in DHS within the 90 days. [Emphasis added.]

The Department assists families to achieve self-sufficiency by providing goods and services under the Direct Support Services (DSS). There is no entitlement for DSS. The decision to authorize DSS is within the discretion of the Department. Department of Human Services Bridges Eligibility Manual (BEM) 232 (October 1, 2014), p 1.

The Claimant applied for assistance with automobile repairs on May 23, 2014. On August 21, 2104, the Department sent the Claimant written notice that her application had been denied.

The Claimant testified that she had been assured that she would be approved and would not have had the repairs performed on her care if she knew that she would not receive the benefits.

There is no entitlement for Direct Support Services and this Administrative Law Judge finds no authority in Department policy to order the Department to issue benefits in this case. Administrative adjudication is an exercise of executive power rather than judicial power, and restricts the granting of equitable remedies. *Michigan Mutual Liability Co. v Baker*, 295 Mich 237; 294 NW 168 (1940).

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied the Claimant's request for assistance with automobile repairs under the Direct Support Services (DSS) program.
