## **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

All earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties for duties that were performed for compensation or profit. Unearned income means all income that is not earned, including but not limited to funds received from the Family Independence Program (FIP), State Disability Assistance (SDA), Child Development and Care (CDC), Medicaid (MA), Social Security Benefits (RSDI/SSI), Veterans Administration (VA), Unemployment Compensation Benefits (UCB), Adult Medical Program (AMA), alimony, and child support payments. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. Department of Human Services Bridges Eligibility Manual (BEM) 500 (July 1, 2014).

On July 23, 2014, the Claimant applied for Medical Assistance (MA). On his application for assistance, the Claimant reported that his benefit group members receive total earned income in the gross bi-weekly amount of Based on this information, the Department prospected that the Claimant's benefit group would receive a gross annual income that exceeds Therefore, the Department denied the Claimant's application for assistance.

The Claimant's representative did not dispute the Department's income determination, but testified that since submitting his application that the Claimant's income has been reduced.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied the Claimant's application for Medical Assistance (MA). Changes to the Claimant's circumstances may affect his eligibility for benefits and he is eligible to reapply at any time.
