ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES**

**IN THE MATTER OF:**

Reg. No.: 14-012017  
Issue No.: FAP  
Case No.: [REDACTED]  
Hearing Date: December 16, 2014  
County: HILLSDALE

**ADMINISTRATIVE LAW JUDGE:** Gary Heisler

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on December 16, 2014 from Lansing, Michigan. The Department was represented by Regulation Agent [REDACTED] of the Office of Inspector General (OIG).

Respondent did not appear at the hearing. The Notice of Disqualification Hearing (MAHS-827) sent to Respondent was not returned as undeliverable. In accordance with 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5), and Bridges Administration Manual (BAM) 720 the hearing proceeded in Respondent's absence.

**ISSUE**

Whether Respondent committed an Intentional Program Violation (IPV) and whether that Intentional Program Violation (IPV) caused Respondent to receive a \$ [REDACTED] over-issuance of Food Assistance Program (FAP) benefits from December 1, 2013 to May 31, 2014 which the Department is entitled to recoup?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

1. Respondent signed the November 4, 2013 Assistance Application (DHS-1171) certifying the information provided was true as well as the conditions that constitute fraud/IPV and trafficking and the potential consequences.
2. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
3. Respondent committed an Intentional Program Violation (IPV) by intentionally providing incorrect information on the November 4, 2013 application.

4. In accordance with Bridges Administration Manual (BAM) 720 December 1, 2013 to May 31, 2014 has correctly been determined as the over-issuance period associated with this Intentional Program Violation (IPV).
5. During the over-issuance period, Respondent received a \$ [REDACTED] over-issuance of Food Assistance Program benefits.
6. This is Respondent's 1st Intentional Program Violation (IPV).
7. The Department's OIG filed a disqualification hearing request on September 26, 2014.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Bridges Administration Manual (BAM) 720 Intentional Program Violation (2014) governs the Department's actions in this case. The Department's OIG requests IPV hearings for the following cases:

Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**

The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, **or**

The total OI amount is less than \$500, **and**

The group has a previous IPV, **or**

The alleged IPV involves FAP trafficking, **or**

The alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**

The alleged fraud is committed by a state/government employee.

### **Intentional Program Violation**

BAM 720 states that a suspected IPV means an OI exists for which all three of the following conditions exist:

The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. In other words, the Department must show that the Respondent engaged in a fraudulent act or omission they knew would result in receiving assistance they were not eligible for.

In this case, the Department presented an Assistance Application (DHS-1171) Redetermination that Respondent submitted to the Department. Respondent provided incorrect information by stating that he had not moved from or received assistance in another state. Respondent was in fact receiving Food Assistance Program benefits from Arizona at the time.

Subsequently Respondent used all Food Assistance Program benefits issued through Michigan in Arizona and continued to receive and use Michigan Food Assistance Program (FAP) benefits when he was never a physical resident of Michigan and was not eligible for benefits through Michigan.

This constitutes clear and convincing evidence that Respondent made a false statement in order to receive benefits through Michigan. Therefore, the Department has established that Respondent committed an IPV.

In this case, the Department submitted evidence showing that Respondent's application was fraudulent so all benefits received were an over-issuance.

#### **Over-issuance Amount**

BAM 720 states the over-issuance amount is the benefit amount the client actually received minus the amount the client was actually eligible to receive. The Department presented a benefit summary showing that the State of Michigan issued Respondent a total of \$ [REDACTED] of Food Assistance Program benefits and Respondent was actually eligible for \$ [REDACTED]. Respondent received a \$ [REDACTED] over-issuance of Food Assistance Program benefits.

#### **Disqualification**

BAM 720 states that a court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. A disqualified recipient remains

a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits.

Clients who commit an IPV are disqualified for a standard disqualification period of one year for the first IPV, two years for the second IPV and a lifetime disqualification for the third IPV.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department has established by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV) which resulted in a \$ [REDACTED] over-issuance of Food Assistance Program benefits that the Department is entitled to recoup.

This is Respondent's 1<sup>st</sup> Intentional Program Violation (IPV) of the Food Assistance Program and the Department may disqualify Respondent from receiving Food Assistance Program benefits in accordance with Department of Human Services Bridges Administration Manual (BAM) 720.

It is ORDERED that the actions of the Department of Human Services, in this matter, are **UPHELD**.
