ADMINISTRATIVE LAW JUDGE: C. Adam Purnell

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on July 9, 2014 from Lansing, Michigan. The Department was represented by ██████████, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did Respondent, by clear and convincing evidence, commit an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on May 19, 2014 to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware that it was unlawful to buy or sell FAP benefits for cash or consideration other than eligible food.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability during the relevant time period.
6. The Department's OIG indicates that the time period it is considering the fraud period is September 1, 2012 through January 31, 2013.
7. During the alleged fraud period, Respondent was issued [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED].
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and Mich Admin Code, R 400.3001 through R 400.3015.

Intentional Program Violation

An Intentional Program Violation (IPV) is a benefit overissuance resulting from the willful withholding of information or other violation of law or regulation by the client or his/her authorized representative. Bridges Program Glossary (BPG) (1-1-2014), p 36.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor,
- prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is [REDACTED] or more, or
 - the total OI amount is less than [REDACTED], and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (8-1-2012), p. 10.

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (12-1-2011), p. 6; BAM 720, p. 1.

An IPV is suspected for a client who is alleged to have trafficked or is trafficking FAP benefits. BAM 720, p 1. "Trafficking" is the buying or selling of FAP benefits for cash or consideration other than eligible food. BAM 700. A person is disqualified from FAP when an administrative hearing decision, a repayment and disqualification agreement or

court decision determines FAP benefits were trafficked. BAM 203. These FAP trafficking disqualifications are a result of: (1) fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices; or (2) redeeming or presenting for payment coupons known to be fraudulently obtained or transferred. BEM 203.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See Michigan Civil Jury Instruction (Mich Civ JI) 8.01.

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Testimony and other evidence must be weighed and considered according to its reasonableness. *Gardiner v Courtright*, 165 Mich 54, 62; 130 NW 322 (1911); *Dep't of Community Health v Risch*, 274 Mich App 365, 372; 733 NW2d 403 (2007). The weight and credibility of this evidence is generally for the fact-finder to determine. *Dep't of Community Health*, 274 Mich App at 372; *People v Terry*, 224 Mich App 447, 452; 569 NW2d 641 (1997). Moreover, it is for the fact-finder to gauge the demeanor and veracity of the witnesses who appear before him, as best he is able. See, e.g., *Caldwell v Fox*, 394 Mich 401, 407; 231 NW2d 46 (1975); *Zeeland Farm Services, Inc v JBL Enterprises, Inc*, 219 Mich App 190, 195; 555 NW2d 733 (1996).

This Administrative Law Judge has carefully considered and weighed the testimony and other evidence in the record. The following is the Administrative Law Judge's findings based on the clear and convincing evidence on the whole record.

In this case, the record shows that [REDACTED] located at [REDACTED], was engaged in "the buying or selling of FAP benefits for cash or consideration other than eligible food" as defined by BAM 700. The evidence showed that the store was a small convenience store with limited eligible food stock items and was not equipped with an optical scanner, baskets or shopping carts for patrons to carry out eligible food items. The store did carry a limited amount of food

such as snack items as well as tobacco, lottery, auto supplies, cell phones, household items, health and beauty items, paper products and pet food. The store had 1 cash register and 1 POS device. The evidence also showed that the store did not have sufficient eligible food items to support high dollar transactions. The record also shows that the store's infrastructure and inventory, it would be impossible to conduct high dollar transactions without fraud being present.

The Department has established that Respondent was engaged in FAP trafficking at the store during the fraud period. Specifically, Respondent intentionally and fraudulently engaged in multiple high dollar transactions at the store in a short period of time which were not possible for a store with this layout and inventory. The IPV was evidenced by Electronic Benefit Transfer (EBT) FAP card usage history of transactions issued to Respondent. The record also shows that Respondent, during the same time period, conducted EBT transactions that were well in excess of the average amount for transactions at this type of store and she engaged in several even dollar transactions. Respondent was advised of her rights and responsibilities concerning program benefits. Respondent's signature on the Assistance Application in this record certifies that she was aware of these rights and responsibilities. Respondent had no apparent physical or mental impairment during the relevant period of time.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720 (8-1-2012), p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (8-1-2012), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

Here, the Department has shown that Respondent was guilty of her first IPV concerning FAP benefits.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this matter, the Department has shown that Respondent received an OI of FAP benefits. According to BAM 700, the Department may recoup this OI.
