DEPARTMENT OF HUMAN SERVICES**

IN THE MATTER OF:

[REDACTED]

Reg. No.: 14-003068
Issue No.: 2005, 3005
Case No.: [REDACTED]
Hearing Date: September 10, 2014
County: Oakland-District 2

ADMINISTRATIVE LAW JUDGE: Darryl T. Johnson

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on September 10, 2014 from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Medical Assistance (MA) and Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did Respondent, by clear and convincing evidence, commit an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on May 27, 2014, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.

3. Respondent was a recipient of MA and FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in her circumstances that would affect her eligibility to receive benefits.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is June 1, 2012 through February 28, 2013 for MA, and June 1, 2012 through October 31, 2012 as well as December 1, 2012 through March 31, 2013 for FAP (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in MA benefits and \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED] and an OI in MA benefits in the amount of \$ [REDACTED].
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was returned by the US Post Office as undeliverable. The hearing packet was mailed to Respondent at the last known address and was not returned.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor,
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - The total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, **or**
 - The total OI amount is less than \$1000, **and**
 - The group has a previous IPV, **or**
 - The alleged IPV involves FAP trafficking, **or**
 - The alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
 - The alleged fraud is committed by a state/government employee.

BAM 720 (7/1/13), p. 12.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client **intentionally** failed to report information **or intentionally** gave incomplete or inaccurate information needed to make a correct benefit determination, **and**
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (7/1/13), p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, Respondent applied for FAP and she acknowledged that she understood that she needed to report changes in her household circumstances that would affect her eligibility for the benefits she was receiving.

Claimant began using her BRIDGE card exclusively in Pennsylvania on April 6, 2012. On September 18, 2012, she submitted an online application (Exhibit 1 Page 25) reporting an address in Madison Heights, Michigan. She continued using her FAP benefits outside of Michigan until they were nearly exhausted on March 8, 2013. Between April 6 and March 8, 2013, she never used her card in Michigan.

Claimant did not provide the Department with notice that she had changed her address from Michigan. BEM 220 (4/1/14) states, "To be eligible, a person must be a Michigan resident." For FAP, "A person is considered a resident while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely." Because Claimant was not living in Michigan, she was not eligible to receive FAP benefits. Regarding MA, BEM 220 states, "A Michigan resident is an individual who is living in Michigan except for a temporary absence. Residency continues for an individual who is temporarily absent from Michigan or intends to return to Michigan when the purpose of the absence has been accomplished."

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 15.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 16. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (7/1/13), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, Respondent committed an IPV by using her benefits outside of the State of Michigan, and by receiving benefits, when she was no longer a Michigan resident. Because she has committed an IPV she is to be disqualified.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, Respondent received \$ [REDACTED] in FAP and \$ [REDACTED] in MA during the period when she was living outside of Michigan and no longer a Michigan resident. She was not entitled to those benefits. The Department has established an OI of \$ [REDACTED] which is to be recouped.

DECISION AND ORDER

1. The Department has established by clear and convincing evidence that Respondent committed an intentional program violation (IPV).
2. Respondent received an OI of program benefits in the amount of \$ [REDACTED] from the FAP program and \$ [REDACTED] from the MA program.

The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
