████████████████████

Reg. No.: 14-003863  
Issue No.: 3005  
Case No.: ██████████  
Hearing Date: September 22, 2014  
County: MACOMB-DISTRICT 20

**ADMINISTRATIVE LAW JUDGE: Zainab Baydoun**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on September 22, 2014, from Detroit, Michigan. The Department was represented by ██████████, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for Food Assistance Program (FAP)?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on June 9, 2014, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in residency to the Department.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is July 1, 2013 to December 31, 2013 (fraud period).
7. During the fraud period, the Department alleges that Respondent was issued \$1178 in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$1178.
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
  - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, **or**
  - the total OI amount is less than \$1000, **and**
    - the group has a previous IPV, **or**
    - the alleged IPV involves FAP trafficking, **or**
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
    - the alleged fraud is committed by a state/government employee.

BAM 720 (May 2014), pp. 12-13.

### **Overissuance**

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700 (May 2014), p. 1. The amount of the FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (July 2014), p. 6; BAM 705 (July 2014), p. 6.

In this case, the Department alleges that Respondent received an OI of FAP benefits in the amount of \$1178 for the period between July 1, 2013 and December 31, 2013. The Department failed to present a benefit summary issuance or similar evidence to show that Respondent was issued FAP benefits by the State of Michigan during this period and in the total amount of \$1178. Although the Department presented Respondent's FAP transaction history showing purchases made with Michigan issued benefits, the actual amount of benefits received by Respondent during the fraud period was not established.

Because the Department has failed to establish the actual amount of benefits received, the Department has failed to establish that Respondent was overissued FAP benefits, and is therefore, not entitled to recoupment.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700, p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of her FAP benefits because she failed to notify the Department that she no longer resided in Michigan but continued to receive and use Michigan-issued FAP benefits while out of state. To be eligible for FAP benefits issued by the Department, an individual must be a Michigan resident. BEM 220 (July 2013), p. 1. A person is considered a resident while living in Michigan for any purpose other than a vacation, even if he has no intent to remain in the state permanently or indefinitely. BEM 220, p. 1. A client who resides outside the State of Michigan for more than thirty days is not eligible for FAP benefits issued by the State of Michigan. BEM 212 (July 2013), pp. 2-3.

The Department established that from May 28, 2013 to December 21, 2013, Respondent used FAP benefits issued to her by the State of Michigan exclusively out of state. (Exhibit 1, pp. 35-38). While this evidence may be sufficient to establish that Respondent no longer resided in Michigan and was no longer eligible for FAP benefits, to establish an IPV, the Department must present clear and convincing evidence that Respondent intentionally withheld or misrepresented information for the purpose of maintaining benefits.

In support of its contention that Respondent committed an IPV, the Department presented a Redetermination that Respondent submitted to the Department on January 23, 2013, prior to the fraud period and prior to any out of state transactions. (Exhibit 1, pp. 11-14). While this may be sufficient to establish that Respondent was advised of her responsibility to report changes in circumstances, it does not establish, by clear and convincing evidence, that Respondent intentionally withheld information concerning an out-of-state move for the purpose of maintaining Michigan FAP eligibility.

The Department failed to present sufficient evidence that Respondent had the intent to commit an IPV. Further, as discussed above, because the Department has failed to establish that Respondent was overissued FAP benefits and because an OI is a condition of suspected IPV, the Department has failed to satisfy its burden in establishing that Respondent committed an IPV of FAP benefits by failing to report a change in residency.

### **Disqualification**

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Department failed to satisfy its burden of showing that Respondent committed a FAP IPV. Therefore, Respondent is **not** subject to a disqualification from the FAP program.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has not established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did not receive an OI of program benefits in the amount of \$1178 from the FAP.

The Department is ORDERED to delete the OI and cease any recoupment action.
