ISSUE

Did the Department properly close Claimant's Family Independence Program (FIP) and deny her application for Child Development and Care (CDC) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On July 22, 2014, the Department sent Claimant a notice of noncompliance with work-related activities (PATH).
2. On July 22, 2014, the Department sent Claimant a notice of case action informing her that her FIP benefits were scheduled to close September 1, 2014.
3. On July 29, 2014, the Department held a triage meeting to discuss Claimant's noncompliance, but Claimant failed to attend and the Department found no good cause for Claimant's failure to attend work-related activities.
4. On September 2, 2014, Claimant requested a hearing to protest the closure of her FIP benefits and the denial of her CDC application.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to 45 CFR 233-260, MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3101 to .3131.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, 42 USC 601-619, 670-679c, and 1397-1397m-5; the Child Care and Development Block Grant of 1990, PL 101-508, 42 USC 9858 to 9858q; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193. The program is implemented by 45 CFR 98.1-99.33. The Department administers the program pursuant to MCL 400.10 and provides services to adults and children pursuant to MCL 400.14(1) and Mich Admin Code, R 400.5001-.5020.

At the hearing, Claimant testified that she did not attend the triage meeting as she never received the notice of noncompliance and the scheduling of the triage meeting. Documentation provided at the hearing shows that the notice of noncompliance was correctly addressed, and the legal assumption is that it was also correctly delivered.

Further evidence was also provided documenting Claimant's noncompliance with work-related activities. BEM 233A (July 2013).

Claimant also questioned the Department's refusal to accept her school attendance as reason for providing her with CDC benefits.

Department policy demands that a claimant get approval from PATH before school can be approved as a reason for receiving CDC benefits.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it closed Claimant's FIP benefits case and denied her application for CDC benefits.
- did not act in accordance with Department policy when it .
- failed to satisfy its burden of showing that it acted in accordance with Department policy when it .
