CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, was established by 2004 PA 344. The Department administers the SDA program pursuant to 42 CFR 435, MCL 400.10 *et seq.* and Mich Admin Code, Rules 400.3151 – 400.3180. A person is considered disabled for SDA purposes if the person has a physical or mental impairment which meets federal Supplemental Security Income (SSI) disability standards for at least ninety days. Receipt of SSI benefits based on disability or blindness, or the receipt of MA benefits based on disability or blindness, automatically qualifies an individual as disabled for purposes of the SDA program.

Current legislative amendments to the Act delineate eligibility criteria as implemented by department policy set forth in program manuals. 2004 PA 344, Sec. 604, establishes the State Disability Assistance program. It reads in part:

Sec. 604 (1) The department shall operate a state disability assistance program. Except as provided in subsection (3), persons eligible for this program shall include needy citizens of the United States or aliens exempt from the Supplemental Security Income citizenship requirement who are at least 18 years of age or emancipated minors meeting one or more of the following requirements:

(b) A person with a physical or mental impairment which meets federal SSI disability standards, except that the minimum duration of the disability shall be 90 days. Substance abuse alone is not defined as a basis for eligibility.

Specifically, this Act provides minimal cash assistance to individuals with some type of severe, temporary disability which prevents him or her from engaging in substantial gainful work activity for at least ninety (90) days.

"Disability" is:

. . . the inability to do any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous

period of not less than 12 months. 20 CFR 416.905. [SDA = 90 day duration].

[As Judge] We are responsible for making the determination or decision about whether you meet the statutory definition of disability. In so doing, we review all of the medical findings and other evidence that support a medical source's statement that you are disabled. 20 CFR 416.927(e).

Claimant's treating orthopedist submitted work release forms indicating Claimant is completely incapacitated from employment from [REDACTED] through [REDACTED], well over 90 days. Claimant was scheduled for a lumbar four through five, lumbar five through sacral one decompression and fusion the day after this hearing, [REDACTED]. Because Claimant's treating physician's opinion is well supported by medically acceptable clinical and laboratory diagnostic techniques, it has controlling weight. 20 CFR 404.1527(d)(2).

The credible testimony and medical records submitted at hearing verify Claimant was legally disabled for ninety (90) days. As such, the Department's denial of SDA pursuant to Claimant's July 2, 2014, SDA application cannot be upheld.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department erred in determining that Claimant was not disabled by SDA eligibility standards.

Accordingly, the Department's decision is **REVERSED**, and this case is returned to the local office to determine whether Claimant met all the other financial and non-financial eligibility factors necessary to qualify for SDA.

It is SO ORDERED.
