██

Reg. No.: 14-010781
Issue No.: 3005
Case No.: ██████████
Hearing Date: May 04, 2015
County: KENT-DISTRICT 1
(FRANKLIN)

ADMINISTRATIVE LAW JUDGE: Eric Feldman

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department or DHHS), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a three-way telephone hearing was held on May 4, 2015, from Detroit, Michigan. The Department was represented by ██████████ Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on September 9, 2014, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility that trafficking of benefits is unlawful and a violation of policy and could result in a disqualification from receipt of future benefits and recoupment of issued benefits.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is May 1, 2009 to April 30, 2010 (fraud period).
7. The Department alleges that Respondent trafficked [REDACTED] in FAP benefits.
8. This was Respondent's second alleged IPV.
9. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.
10. On April 1, 2015, Respondent signed a Request for Waiver of Disqualification Hearing. See Exhibit 2, pp. 1-2.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.

- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, **or**
 - the total OI amount is less than \$1000, **and**
 - the group has a previous IPV, **or**
 - the alleged IPV involves FAP trafficking, **or**
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
 - the alleged fraud is committed by a state/government employee.

BAM 720 (May 2014), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 2014), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

BAM 700 defines trafficking as:

- The buying or selling of FAP benefits for cash or consideration other than eligible food. Examples would be liquor, exchange of firearms, ammunition, explosives or controlled substances.
- Selling products purchased with FAP benefits for cash or consideration other than eligible food.
- Purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits.

BAM 700, p. 2.

Additionally, BEM 203 states that these FAP trafficking disqualifications are a result of the following actions:

- Fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices; or
- Redeeming or presenting for payment coupons known to be fraudulently obtained or transferred.

BEM 203 (January 2009), p. 2.

In this case, the Department alleges that Respondent committed an IPV of her FAP benefits because she trafficked \$666.33 from May 1, 2009 to April 30, 2010. Shortly after commencement of the hearing, it was discovered that Respondent signed a Request for Waiver of Disqualification Hearing, in which she admitted to the facts as presented and understands that she would be disqualified from the programs listed in the notice. See Exhibit 2, pp. 1-2. The client/authorized representative (AR) is determined to have committed an IPV by signing a DHS-826, Request for Waiver of Disqualification Hearing, or DHS-830, Disqualification Consent Agreement, or other recoupment and disqualification agreement form. BAM 720, p. 2. Because Respondent signed the Request for Waiver of Disqualification Hearing, it is established that Respondent committed a FAP IPV. See Exhibit 2, pp. 1-2 and BAM 720, p. 2. As such, this Administrative Law Judge (ALJ) will not further address the IPV portion of this hearing decision.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, pp. 15-16; BEM 708 (April 2014), p. 1. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p. 1. A

disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Therefore, Respondent is disqualified from FAP benefits for 24 months. BAM 720, p. 16 and Exhibit 1, p. 46 (prior IPV sanction).

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

For FAP trafficking, the OI amount for trafficking-related IPV is the value of the trafficked benefits as determined by:

- The court decision.
- The individual's admission.
- Documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. This can be established through circumstantial evidence.

BAM 720, p. 8

In the present case, to establish that Respondent received an OI of program benefits, the Department relied on Respondent's FAP transaction history at the Store in question. See Exhibit 1, p. 25. A review of the evidence found that Respondent received an OI amount for her trafficking-related IPV based on her FAP transaction history. See Exhibit 1, p. 25 and BAM 720, p. 8. This ALJ calculated a total OI amount of [REDACTED], whereas the Department sought an OI amount of [REDACTED]. See Exhibit 1, p. 3. As such, it is found that Respondent received an OI of program benefits in the amount of [REDACTED] from the FAP program. See BAM 720, p. 8.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of program benefits in the amount of [REDACTED] from the FAP benefits.

The Department is ORDERED to reduce the OI to [REDACTED] the period May 1, 2009 to April 30, 2010, and initiate recoupment/collection procedures in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of **24 months.**
