1. On January 17, 2014, Claimant filed an application for Medical Assistance (MA-P) benefits alleging disability.
2. On June 23, 2014, the Medical Review Team denied Claimant's application stating that Claimant could perform prior relevant.
3. On June 26, 2014, the Department caseworker sent Claimant notice that the application was denied.
4. On September 15, 2014, Claimant filed a request for a hearing to contest the Department's negative action.
5. The Social Security Administration approved Claimant for (SSI) with a disability onset date of November 19, 2012.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or Department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Because of the Social Security Administration determination, it is not necessary for the Administrative Law Judge to discuss the issue of disability. PEM, Item 260.

Ongoing MA eligibility begins the first day of the month of SSI entitlement. BEM, Item 150, page 1.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Claimant meets the definition of medically disabled under the Medical Assistance Program in accordance with the Social Security Administration's disability onset date of November 19, 2012.

Accordingly, the Department is **ORDERED** to open an ongoing Medical Assistance case for the Claimant effective the month of the SSI entitlement.

A medical review should be scheduled for November 2015. The Department should check to see if Claimant is in current payment status or not. If the Claimant is in current payment status at the medical review no further action will be necessary. However, if the Claimant is not in current payment status at the medical review, the Department is to obtain updated application forms (DHS49) and obtain updated medical records.

It is **ORDERED** that the Department shall review this case in one year from the date of this Decision and Order.
