DEPARTMENT OF HEALTH AND HUMAN SERVICES**

IN THE MATTER OF:

Reg. No.: 14-014311
Issue No.: 2005, 3005
Case No.: [REDACTED]
Hearing Date: April 28, 2015
County: Oakland-District 3

ADMINISTRATIVE LAW JUDGE: Kevin Scully

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on April 28, 2015, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). The Respondent did not appear at the hearing and it was held in the Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did the Respondent receive an overissuance (OI) of Medical Assistance (MA) and Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should the Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on October 28, 2014, to establish an OI of benefits received by the Respondent as a result of the Respondent having allegedly committed an IPV.
2. The OIG has requested that the Respondent be disqualified from receiving program benefits.

3. The Department's OIG indicates that the time period it is considering the fraud period is June 1, 2013, through July 30, 2014.
4. On an application for assistance dated December 12, 2013, the Respondent acknowledged the duty to report the size and composition of her benefit group and any change of residency to the Department.
5. The Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department alleges that from June 1, 2013, through July 30, 2014, the Respondent received \$ [REDACTED] of Food Assistance Program (FAP) benefits but was eligible for only \$ 0, and therefore received an overissuance of \$ [REDACTED].
7. The Department alleges that from December 1, 2013, through June 30, 2014, the Respondent received \$ [REDACTED] of Medical Assistance (MA) benefits but was eligible for only \$0, and therefore received an overissuance of \$ [REDACTED].
8. This was the Respondent's first alleged IPV.
9. A notice of hearing was mailed to the Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency and the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, **or**
 - the total OI amount is less than \$500, **and**
 - the group has a previous IPV, **or**
 - the alleged IPV involves FAP trafficking, **or**
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (October 1, 2014), pp 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

Department of Health and Human Services Bridges Administrative Manual (BAM) 700 (May 1, 2014), p 7, BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

To be eligible for Food Assistance Program (FAP) and/or Medical Assistance (MA) benefits, a person must be a Michigan resident. A person is considered a resident under the Food Assistance Program (FAP) while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely. For Medical Assistance (MA), Residency continues for an individual who is temporarily absent from Michigan or intends to return to Michigan when the purpose of the absence has been accomplished. Department of Health and Human Services Bridges Eligibility Manual (BEM) 220 (July 1, 2014), p 1-9.

On an application for assistance dated December 12, 2013, the Respondent acknowledged the duty to report any change of residency to the Department. The evidence supports a finding that the Respondent was an ongoing FAP recipient at the time he submitted his application. This Administrative Law Judge finds that the Respondent was aware of his duty to report changes of his circumstances, including changes in residency, to the Department on April 4, 2014.

The Respondent was a Food Assistance Program (FAP) recipient from June 1, 2013, through July 30, 2014. The Respondent began using Food Assistance Program (FAP) benefits in Kentucky on April 4, 2013, and used them predominantly in Kentucky through June 28, 2014, making only 2 purchases in Michigan during this period. The use of benefits in another state is evidence of a lack of intent to remain a Michigan

resident. The Department determined that the Respondent no longer had the intent to remain a Michigan resident as of June 1, 2013. If the Respondent had reported a change of residency to the Department, the Respondent would not have been eligible for any Food Assistance Program (FAP) benefits.

The Respondent was an ongoing Medical Assistance (MA) recipient from December 1, 2013, through June 30, 2014, in the form of medical premiums paid on his behalf with a value of \$ [REDACTED]. The evidence supports a finding that during this period, the Respondent was living in Kentucky, as shown by the use of his FAP benefits in Kentucky during this period. No evidence was presented on the record that the Respondent reported his absence from Michigan, or that this absence was temporary. If the Respondent had reported his change of residency to the Department, the Department would not have issued MA benefits on his behalf.

On December 12, 2013, the Respondent reported to the Department that he was living with his son. The evidence supports a finding that when the Respondent moved to Kentucky, his son moved to the state of Washington and enrolled in school there. The Respondent failed to report this change of group size to the Department.

The Department has established that the Respondent intentionally failed to report a change of residency and group size for the purposes of receiving Food Assistance Program (FAP) and Medical Assistance (MA) benefits that the Respondent would not have been eligible to receive otherwise.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that the Respondent committed an IPV.
2. The Respondent did receive an OI of Food Assistance Program (FAP) program benefits in the amount of \$ [REDACTED].
3. The Respondent did receive an OI of Medical Assistance (MA) program benefits in the amount of \$ [REDACTED].
4. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

5. It is FURTHER ORDERED that the Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
