IN THE MATTER OF:

Reg. No.: 14-018681
Issue No.: 3005
Case No.: [REDACTED]
Hearing Date: May 13, 2015
County: Berrien (District 22)

ADMINISTRATIVE LAW JUDGE: Aaron McClintic

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on May 13, 2015, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Participants on behalf of Respondent included: Rachel Tyler.

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on December 23, 2014, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to report household income.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is August 1, 2013, through October 31, 2013, (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's **first** alleged IPV.
10. A Notice of Hearing was mailed to Respondent at the last known address and **was not** returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2014); ASM 165 (October 2014), p.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2014); BAM 720.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, (emphasis in original); see also 7 CFR 273(e)(6). Clear and

convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleged that [REDACTED], was residing with Respondent and his income was not reported. Respondent credibly testified that [REDACTED] moved out of her home in July 2013 and was residing with his mother and other people during the time period in question. Therefore, the undersigned Administrative Law Judge finds that Respondent did not commit an IPV. During the time when [REDACTED] made statements about residing with Respondent, he was involved in a custody dispute with Respondent and the credibility of his statements is questionable.

Disqualification

A client who is found to have committed an intentional program violation by a court or hearing decision is disqualified from receiving program benefits. BAM 720; BEM 708 (October 2014). Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720 A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720.

In this case, since Respondent was not found to have committed an IPV; therefore, there is no disqualification.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700.

In this case, there was no overissuance.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did not** receive an OI of program benefits.

The Department is ORDERED to delete the OI and cease any recoupment action.
