2. On November 13, 2014, the Department sent the Claimant a Verification Checklist (DHS-3503) requesting verification of shelter expenses and vehicle ownership by November 24, 2014.
3. On December 11, 2014, the Department notified the Claimant that it would close her Medical Assistance (MA) and Food Assistance Program (FAP) benefits as of January 1, 2014.
4. On December 22, 2014, the Department received the Claimant's request for a hearing protesting the closure of her Medical Assistance (MA) and Food Assistance Program (FAP) benefits.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Assets means cash, any other personal property and real property. Real property is land and objects affixed to the land such as buildings, trees and fences. Condominiums are real property. Personal property is any item subject to ownership that is not real property. Countable assets cannot exceed the applicable asset limit. An asset is countable if it meets the availability tests and is not excluded. Available means that someone in the asset group has the legal right to use or dispose of the asset. Department of Human Services Bridges Eligibility Manual (BEM) 400 (October 1, 2014), pp 1-7.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (October 1, 2014), p 5.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (October 1, 2014), pp 1-9.

The Claimant was an ongoing Medical Assistance (MA) and Food Assistance Program (FAP) recipient when she reported a change of residence. The Claimant reported that she would be moving to the home of her husband. As a result, the Department sent the Claimant a Verification Checklist (DHS-3503) on November 13, 2014, requesting that

she provide verification of her new shelter expenses and verification of an automobile owned by her husband. Automobiles are countable assets unless excluded and the Department is required to verify these assets.

The Claimant testified that while she remains married to her husband she does not maintain a close relationship with him. The Claimant testified that her husband refused to cooperate with the Department's requests for information and that it should not be necessary for the Department to collect this information.

Administrative Law Judges have no authority to make exceptions to the Department policy set out in the program manuals. Furthermore, administrative adjudication is an exercise of executive power rather than judicial power, and restricts the granting of equitable remedies. Michigan Mutual Liability Co. v Baker, 295 Mich 237; 294 NW 168 (1940).

The Department is required to determine countable assets to determine eligibility for the Medical Assistance (MA) and Food Assistance Program (FAP) programs. The Claimant is required to cooperate with such requests for required information. The Claimant failed to make a reasonable effort to cooperate with the Department's requests for information.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed the Claimant's Medical Assistance (MA) and Food Assistance Program (FAP) benefits.
