On May 9, 2014, the State Hearing Review Team partially approved Claimant's application stating in its recommendation: based on the disability determination examination that Claimant was approved for Social Security disability benefits on April 29, 2014. CONCLUSIONS OF LAW

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or Department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (BAM), the Program Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or Department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Because of the SHRT determination, it is not necessary for the Administrative Law Judge to discuss the issue of disability, per BAM, Item 600.

Because of the Social Security Administration determination, it is not necessary for the Administrative Law Judge to discuss the issue of disability. PEM, Item 260.

Ongoing MA eligibility begins the first day of the month of SSI entitlement. BEM, Item 150, Page 1. Some Claimants also qualify for **retroactive** (retro) MA coverage for up to three calendar months prior to SSI entitlement; see BAM 115. Retro MA coverage is available back to the first day of the third calendar month prior to: For SSI, entitlement to SSI. BAM, Item 115, page 9.

The Department is required to initiate a determination of Claimant's financial eligibility for the requested benefits, if not previously done.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Claimant meets the definition of medically disabled under the Medical Assistance Program in accordance with the Social Security Administration's disability onset date and the State Disability Assistance Program as of the [REDACTED] State Hearing Review Team determination. Retroactive Medical Assistance is denied.

Accordingly, the Department is **ORDERED** to initiate a review of the State Disability Assistants benefit application if it is not already done so, to determine if all other non-medical eligibility criteria are met. The Department shall inform the Claimant of the determination in writing.

If it has not already done so, the Department is **ORDERED** to open an ongoing Medical Assistance case for the Claimant effective the month of the SSI entitlement.

A medical review should be [REDACTED]. The Department should check to see if Claimant is in current payment status or not. If the Claimant is in current payment status at the medical review no further action will be necessary. However, if the Claimant is not in current payment status at the medical review, the Department is to obtain updated application forms (DHS49) and obtain updated medical records.

It is **ORDERED** that the Department shall review this case in one year from the date of this Decision and Order.
