HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on December 16, 2013, from Detroit, Michigan. Participants on behalf of Claimant included Claimant. Participants on behalf of the Department of Human Services (Department) included ██████████.

ISSUE

Did the Department properly remove Claimant from her Family Independence Program (FIP) group for noncooperation with the Office of Child Support (OCS)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On December 1, 2013, the Department closed Claimant's FIP case for non-cooperation with OCS.
2. On November 15, 2013, Claimant requested a hearing to protest the Department's finding of non-cooperation with the OCS.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.

At the hearing, the Department did not present any evidence that Claimant had withheld information from OCS.

At the hearing, Claimant stated that she had provided the OCS with all the information she had about the father of the child in question.

In *Black v Dept of Social Services*, 195 Mich App 27 (1992), the Court of Appeals addressed the issue of burden of proof in a non-cooperation finding. Specifically, the court in *Black* ruled that to support a finding of non-cooperation, the agency has the burden of proof to establish that the mother (1) failed to provide the requested verification and that (2) the mother knew the requested information. The *Black* court also emphasized the fact that the mother testified under oath that she had no further information and the agency failed to offer any evidence that the mother knew more than she was disclosing. *Black* at 32-34.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it .
- did not act in accordance with Department policy when it closed Claimant's FIP case.
- failed to satisfy its burden of showing that it acted in accordance with Department policy when it .
