CONCLUSIONS OF LAW

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or Department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (BAM), the Program Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or Department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Because of the SHRT determination, it is not necessary for the Administrative Law Judge to discuss the issue of disability, per BAM, Item 600.

The Department is required to initiate a determination of Claimant's financial eligibility for the requested benefits, if not previously done.

DECISION AND ORDER

Accordingly, the Department is **ORDERED** to initiate a review of the [REDACTED] application if it is not already done so, to determine if all other non-medical eligibility criteria are met. The Department shall inform the Claimant of the determination in writing.

A medical review should be scheduled for [REDACTED]. The Department should check to see if Claimant is in current payment status or not. If the Claimant is in current payment status at the medical review no further action will be necessary. However, if the Claimant is not in current payment status at the medical review, the Department is to obtain updated application forms (DHS49) and obtain updated medical records.

It is ORDERED that the Department shall review this case in one year from the date of this Decision and Order.
