CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

In the instant case, Claimant's representative applied for MA benefits on June 13, 2013, including a request for retro MA back to April 2013. The Department issued a medical verification checklist. Claimant's representative requested one extension on July 11, 2013. The medical verification request was extended until July 22, 2013. On July 22, 2013, a new verification checklist was issued requesting information regarding a checking account. This new verification was due back by August 8, 2013. The verification lists only Claimant on the request. There was no evidence submitted to demonstrate a copy was sent to Claimant's representative. On August 12, 2013, the Department denied the application for failure to provide requested verifications including the verification of a checking account.

Claimant's representative asserted at hearing they never received a request for verification regarding any checking accounts. The only verification request they knew about was the one seeking medical forms. They were not aware of any issues regarding a verification of a checking account until they received a copy of the notice of case action.

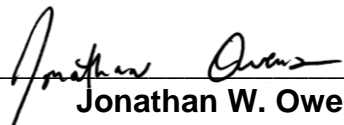

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with Department policy, specifically BAM 110, p. 9, when it failed to send the verification request dated July 22, 2013, to Claimant's representative.
