ADMINISTRATIVE LAW JUDGE: Zainab Baydoun

HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on January 6, 2014, from Detroit, Michigan. Participants on behalf of Claimant included Claimant. Participants on behalf of the Department of Human Services (Department) included █████ █████, Family Independence Manager.

ISSUE

Did the Department properly process Claimant's Family Independence Program (FIP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On September 30, 2013, Claimant submitted an application for FIP benefits.
2. On November 14, 2013, the Department sent Claimant a Notice of Case Action informing her that for October 16, 2013, ongoing, her application for FIP was denied. (Exhibit 2).
3. On November 26, 2013, Claimant requested a hearing, disputing the Department's actions.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.

Additionally, PATH participants must complete the 21-day PATH application eligibility period (AEP) part of orientation which is an eligibility requirement for approval of the FIP application. BEM 229 (July 2013), pp. 1, 6. Failure by a client to participate fully in assigned activities while the FIP application is pending will result in denial of FIP benefits. BEM 229, p. 6. This requires that the client (i) begin the AEP by the last date to attend as indicated on the PATH Appointment Notice, (ii) complete the PATH AEP requirements, and (iii) continue to participate in PATH after completion of the 21-day AEP. BEM 229, p.1.

A person alleging a disability can be temporarily deferred from participating in the work program as a condition of FIP eligibility. BEM 230A (October 2013), pp.9-13. Persons with a mental or physical illness, limitation or incapacity expected to last less than three months and which prevents participation may be deferred for up to three months. The short term incapacity must be verified and a medical review performed. BEM 230 A, pp. 11-12. When an individual claims to be disabled or indicates an inability to participate in PATH for more than 90 days, the three step long term disability determination must be made in accordance with Department policy. BEM 230A, p.12.

In this case, Claimant submitted an application for FIP benefits on September 30, 2013. In connection with that application, Claimant attended PATH orientation but subsequently sought a deferral from further participation in PATH based on an alleged disability. The Department requested that Claimant submit verification regarding the deferral and verification from a doctor regarding Claimant's condition. The Department testified that it received a letter from Claimant's doctor informing the Department that Claimant was under the doctor's care. (Exhibit 1). The Department stated that because the letter did not state that Claimant had any limitations or that she was disabled, the Department sent Claimant a Notice of Case Action on November 14, 2013, informing her that her FIP application had been denied on the basis that Claimant did not complete the entire PATH orientation process. (Exhibit 2).

At the hearing, the Department acknowledged that Claimant's FIP application may have been denied in error and that after receiving the letter from Claimant's doctor, the Department should have followed up and asked for more detailed information from the

doctor regarding Claimant's condition prior to denying the application. The Department also acknowledged that Claimant's eligibility for a deferral based on a disability should have been determined.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with Department policy when it denied Claimant's FIP application prior to making a determination regarding Claimant's request for deferral based on a disability.

DECISION AND ORDER

Accordingly, the Department's decision is REVERSED.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Register and process Claimant's September 30, 2013, FIP application;
2. Determine Claimant's eligibility for deferral based on a disability;
3. Issue supplements to Claimant for any FIP benefits that she was eligible to receive but did not from the date of application ongoing; and
4. Notify Claimant of its decision in writing.
