MICHIGAN ADMINISTRATIVE HEARING SYSTEM
ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES**

IN THE MATTER OF:

[REDACTED]

Reg. No.: 2014-18367
Issue No.: 2009
Case No.: [REDACTED]
Hearing Date: September 15, 2014
County: Wayne (76)

ADMINISTRATIVE LAW JUDGE: Christian Gardocki

HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, an in-person hearing was held on September 15, 2014, from Detroit, Michigan. Participants included the above-named Claimant. [REDACTED] testified and appeared as Claimant's authorized hearing representative (AHR). Participants on behalf of the Department of Human Services (DHS) included [REDACTED], Specialist.

ISSUE

The issue is whether DHS properly denied Claimant's application for Medical Assistance (MA) for the reason that Claimant is not a disabled individual.

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED] Claimant applied for MA benefits, including retroactive MA benefits from 3/2013.
2. Claimant's only basis for MA benefits was as a disabled individual.
3. On [REDACTED] the Medical Review Team (MRT) determined that Claimant was not a disabled individual (see Exhibits 5-6).

4. On [REDACTED] Claimant applied for Supplemental Security Income (SSI) from the date of Social Security Administration (SSA).
5. On an unspecified date, SSA denied Claimant's application for SSI benefits for the reason that Claimant was not disabled.
6. Claimant did not appeal the SSI denial.
7. On [REDACTED], DHS denied Claimant's application for MA benefits and mailed a Notice of Case Action informing Claimant of the denial.
8. On [REDACTED], Claimant's AHR requested a hearing disputing the denial of MA benefits.
9. On [REDACTED], the State Hearing Review Team (SHRT) determined that Claimant was not disabled, in part, by reliance on Medical-Vocational Rule 202.14.
10. On [REDACTED] an administrative hearing was held.
11. During the hearing, the record was extended 14 days to allow DHS and Claimant to submit documents pertaining to the status of Claimant's SSI application dated [REDACTED]; an Interim Order Extending the Record was subsequently mailed.
12. Neither Claimant nor DHS presented additional documents.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105. Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM) and Department of Human Services Bridges Eligibility Manual (BEM) and Department of Human Services Reference Tables Manual (RFT).

Prior to a substantive analysis of Claimant's hearing request, it should be noted that Claimant's AHR noted special arrangements in order to participate in the hearing; specifically, an in-person hearing was requested. Claimant's AHR's request was granted and the hearing was conducted accordingly.

The Medicaid program is comprised of several sub-programs which fall under one of two categories; one category is FIP-related and the second category is SSI-related. BEM 105 (10/2010), p. 1. To receive MA under an SSI-related category, the person

must be aged (65 or older), blind, disabled, entitled to Medicare or formerly blind or disabled. *Id.* Families with dependent children, caretaker relatives of dependent children, persons under age 21 and pregnant, or recently pregnant, women receive MA under FIP-related categories. *Id.* AMP is an MA program available to persons not eligible for Medicaid through the SSI-related or FIP-related categories though DHS does always offer the program to applicants. It was not disputed that Claimant's only potential category for Medicaid eligibility would be as a disabled individual.

Disability for purposes of MA benefits is established if one of the following circumstances applies:

- by death (for the month of death);
- the applicant receives Supplemental Security Income (SSI) benefits;
- SSI benefits were recently terminated due to financial factors;
- the applicant receives Retirement Survivors and Disability Insurance (RSDI) on the basis of being disabled; or
- RSDI eligibility is established following denial of the MA benefit application (under certain circumstances).

BEM 260 (7/2012) pp. 1-2

There was no evidence that any of the above circumstances apply to Claimant. Accordingly, Claimant may not be considered for Medicaid eligibility without undergoing a medical review process which determines whether Claimant is a disabled individual. *Id.*, p. 2.

Generally, state agencies such as DHS must use the same definition of SSI disability as found in the federal regulations. 42 CFR 435.540(a). Disability is federally defined as the inability to do any substantial gainful activity (SGA) by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. 20 CFR 416.905. A functionally identical definition of disability is found under DHS regulations. BEM 260 (7/2012), p. 8. Prior to a medical analysis, recent SSA activity concerning Claimant's claim of disability must be factored.

The Social Security Administration's final determination that the client is not disabled/blind for SSI, not RSDI, takes precedence over an MRT determination. BEM 260 (7/2013), p. 3. Similar guidance is found elsewhere within DHS policies.

For MA, SSA's final determination that a client is not disabled/blind for SSI purposes supersedes MRT's/SHRT's certification. BAM 815 (7/2013), pp. 1-2. See BEM 260 to determine when to proceed with a medical determination for these clients. *Id.*

Eligibility for MA based on disability or blindness does not exist once SSA's determination is final. *Id.*, p. 3. SSA's determination that disability or blindness does not exist for SSI is final for MA if:

- The determination was made after 1/1/90, and
- No further appeals may be made at SSA; or

- The client failed to file an appeal at any step within SSA's 60 day limit, and
- The client is not claiming:
 - A totally different disabling condition than the condition SSA based its determination on, or
 - An additional impairment(s) or change or deterioration in his condition that SSA has not made a determination on.

BEM 260 (7/2013), p 3.

DHS presented an SOLQ (Exhibits 266-268). The SOLQ verified that Claimant applied for SSI benefits on 8/23/13. Claimant testified that SSA denied her application, based on a determination that Claimant was not disabled. Claimant testified that the denial came approximately five months after she applied for SSI benefits. Claimant also testified that she did not appeal the SSI benefit denial. Claimant's testimony was persuasive evidence that SSA made a "final" decision concerning Claimant's disability application. The close proximity in MA and SSA application dates tends to verify that SSA considered the same basis for disability as would have been considered in the administrative hearing.

There are occasions when a claimant's testimony concerning SSA history is not consistent with facts. For example, clients will sometimes confuse reapplying and appealing. To insure the accuracy of Claimant's testimony, DHS and Claimant were given an additional 14 days to present evidence to either verify or rebut Claimant's testimony. Neither side presented additional documents. Thus, the SOLQ and Claimant's testimony was the best evidence of Claimant's SSI application status. The SOLQ and Claimant's testimony sufficiently verified that Claimant did not appeal a final decision of disability.

It is found that a SSA decision that Claimant is not disabled is binding on DHS. Accordingly, it is found that DHS properly denied Claimant's MA benefit application.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that DHS properly denied Claimant's MA benefit application dated [REDACTED], including retroactive MA benefits from 3/2013, based on a determination that Claimant is not disabled. The actions taken by DHS are **AFFIRMED**.
