Issue No(s): 2002

HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on February 13, 2014, from Lansing, Michigan. Participants on behalf of Claimant included Claimant. Participants on behalf of the Department of Human Services (Department) included [REDACTED], Eligibility Specialist.

ISSUE

Did the Department properly close the MA case?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On December 5, 2013, the Department issued a Verification Checklist with a December 16, 2013 due date.
2. On December 9, 2013, Claimant informed the worker that she was having issues getting various documents on time, including certain medical expenses and that she did not know if she would make the due date.
3. The worker did not make any collateral contact.
4. On December 20, 2013, the Department issued a Notice of Case Action cancelling MA for four people in the group.
5. On December 26, 2013, the department received Claimant's hearing request.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

Additionally, The Department did not act in accordance with policy. Under BAM 130, the Department should have made a collateral contact to facilitate obtaining the information and granted an extension. The worker was not aware before the hearing the BAM 130 authorizes an extension. The worker also stated that waiting 4 days to take negative action was an extension. BAM 130 states that the time limit for such verifications as this is 10 days, and that the time limit can be extended up to three times. The amount of time for an extension is the time limit authorized by policy, here 10 days, which can be extended up to 10 times, or 30 days. To hold otherwise would render extensions arbitrary from worker to worker.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department failed to satisfy its burden of showing that it acted in accordance with Department policy when it closed Claimant's MA case.
