Participants on behalf of the Department of Human Services (Department) included [REDACTED].

ISSUE

Whether the Department of Human Services (Department) properly close Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Medical Assistance (MA) recipient.
2. The Department sent the Claimant a Verification Checklist (DHS-3503) requesting verification of a life insurance policy by December 30, 2013.
3. The Department notified the Claimant that it would close her Medical Assistance (MA) benefits as of January 1, 2014.
4. The Department received the Claimant's request for a hearing on December 23, 2013, protesting the closure of her Medical Assistance (MA).

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

Clients must cooperate with the local office in determining initial and ongoing eligibility. This includes the completion of necessary forms. Department of Human Services

Bridges Assistance Manual (BAM) 105 (March 1, 2013), p 5. Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Department of Human Services Bridges Assistance Manual (BAM) 130 (May 1, 2012), p 1. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. BAM 130. The Department uses documents, collateral contacts, or home calls to verify information. BAM 130. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. BAM 130. When documentation is not available, or clarification is needed, collateral contact may be necessary. BAM 130.

The Claimant was an ongoing Medical Assistance (MA) recipient when the Department sent her a Verification Checklist (DHS-3503) requesting verification of a life insurance policy by December 30, 2013. When the Department did not receive the required information, it notified the Claimant that it would close her Medical Assistance (MA) as of January 1, 2014.

Based on the evidence and testimony available during the hearing, the Department established that it was acting in accordance with policy when it closed the Claimant's Medical Assistance (MA) benefits for failure to provide the Department with information necessary to determine her eligibility to receive benefits.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed the Claimant's Medical Assistance (MA) benefits.

Accordingly, the Department's decision is AFFIRMED.
