CONCLUSIONS OF LAW

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

This Appellant was receiving services through the Department's Home and Community Based Services for Elderly and Disabled (HCBS/ED). The waiver is called MI Choice in Michigan. The program is funded through the federal Centers for Medicare and Medicaid (CMS, formerly HCFA) to the Michigan Department of Community Health (Department). Regional agencies function as the Department's administrative agency.

Waivers are intended to provide the flexibility needed to enable States to try new or different approaches to the efficient and cost-effective delivery of health care services, or to adapt their programs to the special needs of particular areas or groups of recipients. Waivers allow exceptions to State plan requirements and permit a State to implement innovative programs or activities on a time-limited basis, and subject to specific safeguards for the protection of recipients and the program. Detailed rules for waivers are set forth in subpart B of part 431, subpart A of part 440 and subpart G of part 441 of this chapter. [42 CFR 430.25(b)].

The policy regarding enrollment in the MI Choice Waiver program is contained in the *Medicaid Provider Manual, MI Choice Waiver*, July 1, 2013, which provides in part:

SECTION 1 – GENERAL INFORMATION

MI Choice is a waiver program operated by the Michigan Department of Community Health (MDCH) to deliver home and community-based

services to elderly persons and persons with physical disabilities who meet the Michigan nursing facility level of care criteria that supports required long-term care (as opposed to rehabilitative or limited term stay) provided in a nursing facility. The waiver is approved by the Centers for Medicare and Medicaid Service (CMS) under section 1915(c) of the Social Security Act. MDCH carries out its waiver obligations through a network of enrolled providers that operate as organized health care delivery systems (OHCDs). These entities are commonly referred to as waiver agencies. MDCH and its waiver agencies must abide by the terms and conditions set forth in the waiver.

MI Choice services are available to qualified participants throughout the state and all provisions of the program are available to each qualified participant unless otherwise noted in this policy and approved by CMS. (p. 1).

SECTION 2 - ELIGIBILITY

The MI Choice program is available to persons 18 years of age or older who meet each of three eligibility criteria:

- An applicant must establish his/her financial eligibility for Medicaid services as described in the Financial Eligibility subsection of this chapter.
- The applicant must meet functional eligibility requirements through the online version of the Michigan Medicaid Nursing Facility Level of Care Determination (LOCD).
- It must be established that the applicant needs at least one waiver service and that the service needs of the applicant cannot be fully met by existing State Plan or other services.

All criteria must be met in order to establish eligibility for the MI Choice program. MI Choice participants must continue to meet these eligibility requirements on an ongoing basis to remain enrolled in the program. (p.1, emphasis added).

2.1. FINANCIAL ELIGIBILITY

Medicaid reimbursement for MI Choice services requires a determination of Medicaid financial eligibility for the applicant by the Michigan Department of Human Services (MDHS). As a provision of the waiver, MI Choice applicants benefit from an enhanced financial eligibility standard compared to basic Medicaid eligibility. Specifically, MI Choice is furnished to participants in the special home and community-based group under 42 CFR §435.217 with a special income level equal to 300% of the SSI Federal Benefit Rate. Medicaid eligibility rules stipulate that participants are not allowed to spend-down to achieve an enhanced financial eligibility standard. Medicaid Provider Manual

MI Choice Waiver: October 1, 2013

In this case, unrefuted evidence on the record is that Appellant's MA closed. Under the financial eligibility criteria cited above, Appellant no longer met the eligibility to have her waiver program remain open. Thus, the Waiver Agency was required to close Appellant's case absent a showing of eligibility.

As noted above, it is the DHS that determines Medicaid eligibility. Presumably, the DHS issued notices to Appellant regarding his eligibility, along with a right to a hearing the DHS if he disputed the closure. That closure is not at issue herein as this hearing is with the DCH subcontracting agency; the DCH subcontracting waiver agency must close the waiver case when a recipient no longer meets the financial eligibility criteria. Furthermore, the waiver agency has no authority to re-open the waiver program unless Appellant has MA.

The Appellant bears the burden of proving, by a preponderance of evidence that the waiver agency did not properly when closing his enrollment in the MI Choice Waiver program. A preponderance of the material and credible evidence in this case establishes that the MI Choice Waiver agency acted in accordance with the policy contained in the Medicaid Provider Manual, and its actions were proper. Thus, this ALJ must uphold those actions.

DECISION AND ORDER

The Administrative Law Judge, based on the above findings of fact and conclusions of law, decides that the MI Choice Waiver agency properly closed Appellant's MI Choice Waiver program case.

IT IS THEREFORE ORDERED that:

The Department's decision is **AFFIRMED**.
