

4. A hearing summary dated December 13, 2013 acknowledged that as of that date the caseworker requested that a copy of the application be faxed and that a determination regarding eligibility would be made.
5. On November 5, 2013 the Claimant's AHR requested a hearing requesting that the Department process the medical bills for March, April and May 2013.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

Additionally, the issue in this case involves whether the Department failed to process a medical bills on an open medical assistance case for March, April and May, 2013. The Department conceded in its Hearing Summary dated September 27, 2013 that it would process the bills and raised no impediment to processing, except that at the hearing the case file and hearing summary were not available. Because the Department had no records of the case at the hearing available, the undersigned faxed to the Department the [REDACTED] Hearing Request and the relevant medical bills which were attached. The Department indicated it would process the medical bills upon their receipt.

Based upon the evidence presented and the testimony of the parties, it is determined that the Department did not process the medical bills for March, April and May 2013 and has not processed the bills as of the date of the hearing and no excuse was offered. .

Therefore, although the Department had no records at the hearing, the evidence did establish that the medical bills were provided to the Department on several occasions with requests to process and that the Department has failed to do so. Based upon the evidence presented, it is determined that the Department must process the medical bills.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

did not act in accordance with Department policy when it failed to process the medical bills for March, April and May 2013.

DECISION AND ORDER

Accordingly, the Department's decision is

REVERSED.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:
