The Department was represented by ██████████ wens, Regulation Agent of the Office of Inspector General (OIG).

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on October 17, 2013, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has has not requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FIP FAP SDA CDC MA benefits issued by the Department.
4. Respondent was was not aware of the responsibility to report changes including change of address and moving out of state.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is February 1, 2012 through September 30, 2012 (fraud period).
7. During the fraud period, Respondent was issued \$1400 in FIP FAP SDA CDC MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleged that Respondent received an OI in FIP FAP SDA CDC MA benefits in the amount of \$1400 and the Respondent signed a Repayment Agreement on September 15, 2013 agreeing to repay the Overissuance. Exhibit 2 .

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services

Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor,
- prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, or
 - the total OI amount is less than \$1000, **and**
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (7/1/13), p. 10.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (7/1/13), p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department did not present sufficient evidence to establish that the Respondent had an intent to defraud the Department so that she could continue to receive Food Assistance. No application was presented and no reference to an application existed in Bridges and therefore the date on which the Respondent would have been advised of her responsibilities was not established. Further, the Agent credibly testified that the Respondent was unaware of her responsibility to report moving out of state and when she was speaking to her also had difficulty understanding the nature of the IPV. Therefore it is determined that the Respondent had no intent to commit fraud or intentionally not report her move.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (7/1/13), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Department did not establish an intentional program violation and thus the Department is not entitled to a finding of disqualification.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, the Respondent signed a repay agreement on September 15, 2013 and therefore there is nothing further for this Administrative Law Judge to decide. Exhibit 2.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. Respondent did did not commit an IPV by clear and convincing evidence.
2. Respondent did did not receive an OI of program benefits in the amount of \$1400 from the following program(s) FIP FAP SDA CDC MA and has signed a Repay Agreement; therefore, the Department's request for a finding of OI is DISMISSED.
