MICHIGAN ADMINISTRATIVE HEARING SYSTEM
ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES**

IN THE MATTER OF:

[REDACTED]

Reg. No.: 14-008938
Issue No.: 3005
Case No.: [REDACTED]
Hearing Date: January 12, 2015
County: OAKLAND-DISTRICT 2

ADMINISTRATIVE LAW JUDGE: Susan C. Burke

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on January 12, 2015, from Detroit, Michigan. The Department was represented by [REDACTED], Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED], to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG requested that Respondent be disqualified from receiving program benefits.
3. Respondent used her FAP benefits outside of the State of Michigan.
4. Respondent remained a resident of Michigan until the beginning of 2012.
5. A notice of hearing was mailed to Respondent at her last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor,
- prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, or
 - the total OI amount is less than \$1000, **and**
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720, (5/2010) p. 10.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 720, p. 1

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

As discussed below, the Department has not established an OI. Therefore, the Department has not established an IPV.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 12

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13.

In this case, the Department has not established by clear and convincing evidence that Respondent committed an IPV. Therefore, Respondent is not disqualified from receiving benefits.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 725 (5/2010), p. 1

BEM 220 (1/2010) instructs that to be eligible for assistance in Michigan, a person must be a Michigan resident. For FAP purposes, a person is considered a resident while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely.

BEM 220 does not give a maximum time limit that a person may leave the state and lose residency in the State of Michigan for FAP. The simple act of leaving the state—even for an extended length of time—does not remove a person's residency status for the purposes of the FAP program. It is noted that the Department may cite BEM 212 regarding temporary absences, but BEM 212 addresses who must be included in FAP groups; it does not address residency. For instance, a person may be absent from a group per BEM 212, but still reside in Michigan.

In the present case, Respondent acknowledged that she used her EBT out of the State of Michigan during the alleged fraud period of [REDACTED]. Respondent testified credibly, however, that her son and husband remained in Michigan while she looked for a job out of state. Respondent testified further that she considered Michigan her residence during the alleged fraud period, and it was not until the beginning of 2012 that she and her family finalized the move from Michigan. The Department's witness also testified that Respondent told her in 2012 that she considered herself a Michigan resident. Respondent also detailed that she kept in touch with her Department worker during the period in which she was searching for a job out of state.

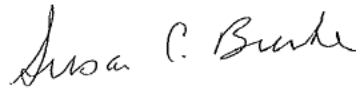

Based on the above discussion, it is concluded that Respondent was a resident of Michigan, and it is not concluded that Respondent received an OI based on non-residency.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has not established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did not receive an OI of program benefits.

The Department is ORDERED to delete the OI and cease any recoupment action.
