4. On ██████████, appellant filed a request for a hearing to contest the Department's negative action.

5. On [REDACTED], the hearing was held. At the hearing, the department determined that the negative action should be deleted and Appellant's HHS be reinstated effective [REDACTED]

Home Help Services (HHS) are provided to enable functionally limited individuals to live independently and receive care in the least restrictive, preferred settings. These activities must be certified by a physician and may be provided by individuals or by private or public agencies.
