ADMINISTRATIVE LAW JUDGE: Susanne E. Harris

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on January 13, 2015, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). The Respondent did not appear at the hearing and it was held in the Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did the Respondent receive an overissuance (OI) of Food Assistance Program (FAP), Child Development and Care (CDC) and Medical Assistance (MA) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that the Respondent committed an Intentional Program Violation (IPV)?
3. Should the Respondent be disqualified from receiving benefits for Food Assistance Program (FAP) and Family Independence Program (FIP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on August 20, 2014, to establish an OI of benefits received by the Respondent as a result of the Respondent having allegedly committed an IPV, by failing to report that two of her children relocated outside of the state.

2. The OIG has requested that the Respondent be disqualified from receiving program benefits.
3. The Respondent was a recipient of FAP, CDC and MA benefits issued by the Department.
4. The Respondent was aware of the responsibility to report changes in her circumstances to the Department within 10 days of those changes.
5. The Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period for FAP is October 1, 2011 – August 31, 2012; for CDC is September 25, 2011 – July 14, 2012 and for MA is October 1, 2011 – August 31, 2012 (fraud period).
7. During the fraud period, the Respondent was issued [REDACTED] in FAP, CDC and MA benefits by the State of Michigan, and the Department alleges that the Respondent was entitled to [REDACTED] in such benefits during this time period.
8. The Department alleges that the Respondent received an OI in FAP, CDC and MA benefits in the amount of [REDACTED].
9. This was the Respondent's first alleged IPV.
10. A notice of hearing was mailed to the Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to

MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10 and MCL 400.105-.112k. .

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, 42 USC 601-619, 670-679c, and 1397-1397m-5; the Child Care and Development Block Grant of 1990, PL 101-508, 42 USC 9858 to 9858q; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193. The program is implemented by 45 CFR 98.1-99.33. The Department administers the program pursuant to MCL 400.10 and provides services to adults and children pursuant to MCL 400.14(1) and Mich Admin Code, R 400.5001-.5020.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, **or**
 - the total OI amount is less than \$1000, **and**
 - the group has a previous IPV, **or**
 - the alleged IPV involves FAP trafficking, **or**
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
 - the alleged fraud is committed by a state/government employee.

BAM 720 (2014).

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 720, p.1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department has met its burden of proving, by a clear and convincing standard, that the Respondent understood her rights and responsibilities when she failed to report that her two children had left her home and were living with their father in Mississippi. As such, the Administrative Law Judge concludes that the Department has met its burden of proving that the Respondent intentionally withheld information for the purpose of maintaining program benefits. Therefore, the Administrative Law Judge concludes that the Respondent has committed her first IPV.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Administrative Law Judge has determined that the Respondent has committed her first IPV and therefore, the appropriate disqualification period is one year.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, the Administrative Law Judge has determined that the Department has met its burden of proving that the Respondent received an OI of FAP, FIP and CDC program benefits in the amount of [REDACTED] which the Department is entitled to recoup.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of program benefits in the amount of [REDACTED] from the FAP, FIP and CDC programs.
3. The Department is ORDERED to initiate recoupment procedures and a disqualification period in accordance with Department policy.
