████████████████████ Participants on behalf of the Department of Human Services (Department) included ██████████

**ISSUE**

Did the Department properly process Claimant's Medical Assistance (MA) applications?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On June 11, 2014, Claimant applied for MA benefits for herself only.
2. On June 12, 2014, the Department sent Claimant a health care coverage supplemental questionnaire with a due date of June 23, 2014.
3. On July 18, 2014, the Department denied Claimant's June 11, 2014, MA application for failure to provide requested information.
4. On October 9, 2014, Claimant applied again for MA benefits. This application was for her son only.
5. On October 9, 2014, the Department sent Claimant a health care coverage determination notice, informing Claimant that her son had been approved.

6. Claimant indicated that she also wanted MA for herself and the Department added Claimant to the October 9, 2014, MA application.
7. On October 29, 2014, the Department sent Claimant a verification checklist requesting that Claimant provide documentation of her income by November 10, 2014.
8. On November 17, 2014, Claimant requested a hearing to protest the Department's failure to list her child and herself in the same MA group.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

At the hearing, Claimant's AHR argued that the Department had the information connecting Claimant to her son. The AHR further argued that Claimant's MA application should have been sent to Claimant's worker rather than to central process.

This argument ignores the fact that Claimant was given a number of opportunities to list her son and herself together when applying for MA benefits or when answering the Department's health care coverage supplemental questionnaire. BAM 110 (July 2014).

The facts are that Claimant originally applied for MA benefits and did not list her son as a member of her MA group. To expect the Department to connect Claimant to her son and to correct Claimant's error by including her son in her MA group is beyond the duty of the Department.

Claimant's AHR further argued that the Department should have sent her MA application to Claimant's local office rather than to the Department's central processing office. This argument would suggest that the Department should have changed its normal processing procedure because Claimant failed to list her son as a part of her group.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it denied Claimant's June 11, 2014, MA application.  
 did not act in accordance with Department policy when it .  
 failed to satisfy its burden of showing that it acted in accordance with Department policy when it .
