ISSUE

Did the Department properly close the Claimant's Medical Assistance (MA) benefits?

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Medical Assistance (MA) recipient as a group of four.
2. On November 10, 2014, the Department initiated a routine redetermination of the Claimant's eligibility to receive continuing Medical Assistance (MA) benefits.
3. On December 1, 2014, the Claimant provided verification of her household income.
4. The Claimant receives monthly earned income from employment in the gross monthly amount of \$ [REDACTED].
5. The Claimant's husband receives monthly earned income from employment in the gross monthly amount of \$ [REDACTED].
6. On December 11, 2014, the Department notified the Claimant that it would close her Medical Assistance (MA) benefits as of January 1, 2015, due to her household income.

7. On December 19, 2014, the Department received the Claimant's request for a hearing protesting the closure of Medical Assistance (MA) benefits.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

All earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties for duties that were performed for compensation or profit. Unearned income means all income that is not earned, including but not limited to funds received from the Family Independence Program (FIP), State Disability Assistance (SDA), Child Development and Care (CDC), Medicaid (MA), Social Security Benefits (RSDI/SSI), Veterans Administration (VA), Unemployment Compensation Benefits (UCB), Adult Medical Program (AMA), alimony, and child support payments. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. Department of Human Services Bridges Eligibility Manual (BEM) 500 (July 1, 2014).

MA-only eligibility is determined on a calendar month basis. Unless policy specifies otherwise, circumstances that existed, or are expected to exist, during the calendar month being tested are used to determine eligibility for that month. When determining eligibility for a future month, assume circumstances as of the processing date will continue unchanged unless you have information that indicates otherwise. Department of Human Services Bridges Eligibility Manual (BEM) 105 (October 1, 2014), p 2.

Department policy is consistent with federal regulations under 42 CFR § 435.603(h) that state:

Financial eligibility for Medicaid for applicants, and other individuals not receiving Medicaid benefits at the point at which eligibility for Medicaid is being determined, must be based on current monthly household income and family size.

In this case, the Claimant was an ongoing Medical Assistance (MA) recipient as a group of four when the Department initiated a determination of her eligibility to receive continuing benefits. The Department requested verification of the Claimant's income. Based on the information provided by the Claimant, the Department determined that the Claimant received monthly earned income from employment in the gross monthly

amount of \$ [REDACTED] and her husband received gross monthly income of \$ [REDACTED]. No information was presented on the record that this income is not likely to continue. The Department determined that based on a prospective annual income of \$ [REDACTED] the Claimant does not meet the income limits to receive Medical Assistance (MA) under the Healthy Michigan Plan, which has an annual income limit of \$ [REDACTED] for a group of four.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed the Claimant's Medical Assistance (MA) benefits case.
