ISSUE

Did the Department properly close the Claimant's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Medical Assistance (MA) recipient under the Healthy Michigan Plan (HMP).
2. On October 31, 2014, the Department sent the Claimant a Redetermination (DHS-1010) with a due date of November 19, 2014.
3. On December 19, 2014, the Department notified the Claimant that it would close her Medical Assistance (MA) benefits effective January 1, 2015.
4. On December 30, 2014, the Department received the Claimant's request for a hearing protesting the closure of her Medical Assistance (MA) benefits.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (October 1, 2014), p 5.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (October 1, 2014), pp 1-9.

The Claimant was an ongoing Medical Assistance (MA) recipient when the Department initiated a routine review of her eligibility to receive continuing benefits. On October 31, 2014, the Department sent her a Redetermination (DHS-1010) and requested that she return the completed form by November 19, 2014. When the Department did not receive the information requested from the Claimant by December 19, 2014, the Department notified the Claimant that it would close her Medical Assistance (MA) effective January 1, 2015.

The Claimant testified that she did not receive the Redetermination (DHS-1010) form.

While a presumption arises that a letter with a proper address and postage will, when placed in the mail be delivered by the postal service, this presumption can be rebutted with evidence that the letter was not received. If such evidence is presented, as it was here, then a question of fact arises regarding whether the letter was received. [Citations omitted.] *Goodyear Tire & Rubber Co v Roseville*, 468 Mich 947; 664 NW2d 751 (2003).

In this case, the Department presented substantial evidence that the Redetermination (DHS-1010) form was mailed to the Claimant at her correct mailing address of record and the Claimant failed to present sufficient evidence to rebut the presumption of receipt.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed the Claimant's Medical Assistance (MA) benefits for failure to provide the Department with information necessary to determine her eligibility to receive benefits.
