██████████
██████████████████
██████████████████████████████

Reg. No.: 14-018755
Issue No.: 3005
Case No.: ██████████
Hearing Date: April 13, 2015
County: INGHAM

ADMINISTRATIVE LAW JUDGE: Eric Feldman

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on April 13, 2015, from Detroit, Michigan. The Department was represented by ██████████ Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on December 26, 2014, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in residence.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the FAP fraud period is May 1, 2014 to August 31, 2014 (fraud period).
7. During the fraud period, Respondent was issued [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED]
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Health and Human Services Program Administrative Manuals (PAM), Department of Health and Human Services Program Eligibility Manual (PEM), and Department of Health and Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, **or**
 - the total OI amount is less than \$500, **and**
 - the group has a previous IPV, **or**
 - the alleged IPV involves FAP trafficking, **or**
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2014), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 2014), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client or CDC provider has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6).

Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

To be eligible, a person must be a Michigan resident. BEM 220 (February 2014), p. 1. For FAP cases, a person is considered a resident while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely. BEM 220, p. 1. Eligible persons may include persons who entered the state with a job commitment or to seek employment; and students (for FAP only, this includes students living at home during a school break). BEM 220, pp. 1-2. For FAP cases, a person who is temporarily absent from the group is considered living with the group. BEM 212 (February 2014) p. 3. However, a person's absence is not temporary if it has lasted more than thirty days. BEM 212, p. 3.

In this case, the Department alleges that Respondent committed an IPV of her FAP benefits because she failed to notify the Department that she no longer resided in Michigan but continued to receive and use Michigan-issued FAP benefits while out-of-state.

First, the Department presented Respondent's application dated January 9, 2013, to show that she acknowledged her responsibility to report changes as required. See Exhibit 1, pp. 10-45

Second, the Department presented Respondent's FAP transaction history. See Exhibit 1, pp. 49-51. The FAP transaction history showed that from February 21, 2014 to September 1, 2014, Respondent used FAP benefits issued by the State of Michigan out-of-state in Georgia. See Exhibit 1, pp. 50-52.

Third, the Department provided Respondent's employment verification, which indicated that she was hired on March 3, 2014 and reported a Georgia address. See Exhibit 1, pp. 46-47. Moreover, the employment verification showed that she received wages from March 14, 2014 to March 27, 2014. See Exhibit 1, p. 47. The employment verification was current as of March 28, 2014. See Exhibit 1, p. 46.

Fourth, the Department presented verification of Respondent's criminal record in Georgia. See Exhibit 1, p. 48. The report indicated she was arrested and had a court disposition date on May 29, 2014, which was during the alleged fraud period. See Exhibit 1, p. 48.

Based on the foregoing information and evidence, the Department has established that Respondent committed an IPV of FAP benefits. The Department presented evidence that Respondent was employed before the fraud period and the employment verification indicated that she had a Georgia address. See Exhibit 1, pp. 46-47. In fact, the FAP transaction history showed that Respondent used out-of-state benefits in Georgia during the period she was employed in Georgia from February 21, 2014 to September 1, 2014. See Exhibit 1, pp. 46-47 and 50-52. Furthermore, the Department presented evidence

that Respondent had a criminal filing during the fraud period. See Exhibit 1, p. 48. This showed by clear and convincing evidence that Respondent was aware of her responsibility to report changes in residence and that she intentionally withheld information concerning an out-of-state move for the purpose of maintaining Michigan FAP eligibility. The Department has established that Respondent committed an IPV of FAP benefits.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, pp. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 16. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Therefore, Respondent is subject to a disqualification under the FAP program. BAM 720, p. 16.

Overissuance

As previously stated, the Department has established that Respondent committed an IPV of FAP benefits. In consideration of the out-of-state use that began on February 21, 2014, the Department determined that the OI period began on May 1, 2014. See Exhibit 1, pp. 3 and 50. It is found that the Department applied the appropriate OI begin. See BAM 720, p. 7.

Additionally, when a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of the OI is the benefit amount the group or provider actually received minus the amount the group was eligible to receive. BAM 720, p. 8.

In establishing the OI amount, the Department presented a benefit summary inquiry showing that Respondent was issued FAP benefits by the State of Michigan from May 2014 to August 2014, which totaled [REDACTED]. See Exhibit 1, p. 52. Therefore, the Department is entitled to recoup [REDACTED] of FAP benefits it issued to Respondent from May 1, 2014 to August 31, 2014.
