<u>ISSUE</u>

Did the Department properly calculate Claimant's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- 1. On December 9, 2014, Claimant applied for MA benefits.
- 2. On January 26, 2015, the Department sent Claimant a Health Care Coverage Determination Notice informing Claimant that he was eligible for MA benefits with a deductible.
- 3. On February 5, 2015, Claimant requested a hearing to protest the deductible placed on his MA benefits.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

At the hearing, Claimant questioned the Department's MA denial of January 23, 2015, stating that Claimant was not blind or disabled. Claimant testified that he is a quadriplegic and obviously disabled.

In this instance, the Department denied Claimant's MA application for the Healthy Michigan Program (HMP) based on income. For a claimant between the ages of 19 and 64 there is an income limit of \$15,521.10. Claimant's income exceeds this figure. Therefore, the Department denied Claimant's application for HMP. CFR 435.310, 510.

However, Department policy demands that the Department explore all MA programs, and when the Department explored other MA programs, the Department found Claimant eligible for MA benefits with a deductible of \$1,111.00.

This Administrative Law Judge reviewed the Department's MA budget with Claimant and found that the Department's calculations were correct.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it calculated Claimant's MA benefits.
 - did not act in accordance with Department policy when it
- failed to satisfy its burden of showing that it acted in accordance with Department policy when it
