**ISSUE**

Did the Department properly determine Claimant's Food Assistance Program eligibility for December 2014?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Claimant was an ongoing recipient of Food Assistance Program benefits.
2. On November 15, 2014, Claimant was sent a Notice of Case Action (DHS-1605) which stated her Food Assistance Program benefits would be reduced to [REDACTED] per month beginning December 1, 2014.
3. Prior to the action effective date, Claimant reported that her residential heat is electric and she pays for the electricity. Claimant also submitted a copy of her utility bill with a request for hearing written on the back.
4. On December 5, 2014, Claimant was paid her December 2014 Food Assistance Program allotment.
5. On December 8, 2014, Claimant submitted a shelter verification which stated her heat was electric and that Claimant pays the electricity.
6. On December 16, 2014, Claimant was sent a Notice of Case Action (DHS-1605) which stated her Food Assistance Program benefits would increase beginning January 1, 2015.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

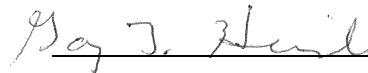

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

The changes in law for Food Assistance Program shelter expenses, described in Bridges Eligibility Manual (BEM) 554, were the reason for Claimant's FAP reduction beginning December 1, 2014. The fact that Claimant does not have a utility expense for natural gas created the need to obtain verification of her responsibility to pay for electric heat. The DHS case worker responded to Claimant's report but the utility bill Claimant submitted did not indicate that Claimant's residential heat was electric. The case worker called the utility company but was told that they (utility company) have no way to tell what kind of heat there was at the residence. It is unfortunate that the required verification was not obtained until after Claimant was issued her December 2014 benefits. However, that fact means that the Department could not apply the full heat and utility standard to Claimant's December eligibility.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined Claimant's Food Assistance Program eligibility for December 2014.
