DEPARTMENT OF HEALTH AND HUMAN SERVICES**

IN THE MATTER OF:

[REDACTED]

Reg. No.: 14-010184
Issue No.: 3005
Case No.: [REDACTED]
Hearing Date: April 29, 2015
County: Iosco

ADMINISTRATIVE LAW JUDGE: Kevin Scully

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on April 29, 2015, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on September 3, 2014, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. The Department's OIG indicates that the time period it is considering the fraud period is March 1, 2013, through November 30, 2013.

4. On an application for assistance dated December 14, 2012, the Respondent acknowledged the duty to report any change of residency to the Department.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department alleges that from March 1, 2013, through November 30, 2013, the Respondent received \$ [REDACTED] of Food Assistance Program (FAP) benefits but was eligible for only \$ 0, and therefore received an overissuance of \$ [REDACTED]
7. The Respondent received food assistance benefits from the state of Colorado in May of 2013,
8. This was Respondent's first alleged IPV.
9. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, **or**
 - the total OI amount is less than \$500, **and**
 - the group has a previous IPV, **or**

- the alleged IPV involves FAP trafficking, **or**
- the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
- the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (October 1, 2014), pp 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

Department of Health and Human Services Bridges Administrative Manual (BAM) 700 (May 1, 2014), p 7,

BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720,

p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

To be eligible for Food Assistance Program (FAP) benefits, a person must be a Michigan resident. A person is considered a resident under the Food Assistance Program (FAP) while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely. Department of Health and Human Services Bridges Eligibility Manual (BEM) 220 (July 1, 2014), p 1.

A person cannot receive FAP in more than one state for any month. Department of Health and Human Services Bridges Eligibility Manual (BEM) 222 (July 1, 2013), p 3.

On an application for assistance dated December 14, 2012, the Respondent acknowledged the responsibility to report any change of residency to the Department. The Respondent also acknowledged the responsibility to report whether he had received any food assistance benefits from another state. The Respondent was an ongoing FAP recipient from March 1, 2013, through November 30, 2013. The Respondent started using his FAP benefits in the state of Colorado on January 12, 2013, and continued to use them exclusively in Colorado through November 14, 2013. The use of FAP benefits exclusively in another state is evidence of a lack of intent to remain a Michigan resident. The Respondent also applied for and received food assistance from the state of Colorado in May of 2013. The receipt of food assistance from another state is evidence of a lack of intent to remain a Michigan resident and the Respondent was not eligible to receive food assistance from more than one state in a month. The Department determined that the Respondent lacked the intent to remain a Michigan resident as of March 1, 2013. If the Respondent had reported his change of residency to the Department, then he would not have been eligible for any of the FAP benefits he received during the period of alleged fraud. The Department has established by clear and convincing evidence that the Respondent intentionally failed to report his change of residency for the purposes of receiving and maintaining Food Assistance Program (FAP) benefits that he would not have been eligible to receive otherwise. Since the Respondent received food assistance concurrently from Michigan and Colorado in May of 2013, a ten-year disqualification period is justified as directed by BAM 720.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.

2. Respondent did receive an OI of Food Assistance Program (FAP) program benefits in the amount of \$ [REDACTED]
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.
4. It is FURTHER ORDERED that Respondent be personally disqualified from participation in the FAP program for 10 years.
