STATE OF MICHIGAN MICHIGAN ADMINISTRATIVE HEARING SYSTEM ADMINISTRATIVE HEARINGS FOR THE DEPARTMENT OF HEALTH AND HUMAN SERVICES

IN THE MATTER OF:

Reg. No.: 14-016288

Issue No.: 3005

Case No.:
Hearing Date: April 28, 2015
County: Oakland-District 3

ADMINISTRATIVE LAW JUDGE: Kevin Scully

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on April 28, 2015, from Lansing, Michigan. The Department was represented by Regulation Agent of the Office of Inspector General (OIG). The Respondent did not appear at the hearing and it was held in the Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

<u>ISSUES</u>

- 1. Did the Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
- 2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
- 3. Should the Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- 1. The Department's OIG filed a hearing request on November 24, 2014, to establish an OI of benefits received by the Respondent as a result of the Respondent having allegedly committed an IPV.
- The OIG has requested that the Respondent be disqualified from receiving program benefits.
- 3. The Department's OIG indicates that the time period it is considering the fraud period is April 1, 2013, through January 31, 2014.

- 4. On an application for assistance dated February 5, 2013, the Respondent acknowledged the duty to report any change of residency to the Department.
- 5. The Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
- 6. The Department alleges that from April 1, 2013, the Respondent received street of Food Assistance Program (FAP) benefits but was eligible for only \$0, and therefore received an overissuance of \$1000.
- 7. This was the Respondent's first alleged IPV.
- 8. A notice of hearing was mailed to the Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking Ols that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - > the group has a previous IPV, or
 - > the alleged IPV involves FAP trafficking, or
 - ➤ the alleged fraud involves concurrent receipt of assistance (see BEM 222), or

the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (October 1, 2014), pp 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

Department of Health and Human Services Bridges Administrative Manual (BAM) 700 (May 1, 2014), p 7, BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

<u>Overissuance</u>

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

To be eligible for Food Assistance Program (FAP) benefits, a person must be a Michigan resident. A person is considered a resident under the Food Assistance Program (FAP) while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely. Department of Health and Human Services Bridges Eligibility Manual (BEM) 220 (July 1, 2014), p 1.

On an application for assistance dated February 5, 2013, the Respondent acknowledged the duty to report any change of residency to the Department. The Respondent was a Food Assistance Program (FAP) recipient from April 1, 2013, through January 31, 2014. The Respondent began using FAP benefits in Texas on March 7, 2013, and used them exclusively in Texas through January 19, 2014. The use of benefits in another state is evidence of a lack of intent to remain a Michigan resident.

This Administrative Law Judge finds that the Respondent's exclusive use of FAP benefits in Texas from March 7, 2013, through January 19, 2014, supports a finding that she had left the state without any intent of remaining a Michigan resident. If the Respondent left Michigan on March 7, 2013, she had a duty to report her change of circumstances within 10 days. Department of Health and Human Services Bridges Administrative Manual (BAM) 105 (January 1, 2015), pp 1-20. If the Respondent had reported a change of residency the Department would be obligated to act on this information within 10 days of becoming aware of the change. Department of Health and Human Services Bridges Administrative Manual (BAM) 220 (April 1, 2015), p 6. Upon discovering that the Respondent was no longer eligible for FAP benefits, the Department would not enact this change for 12 days. BAM 220, p 11. If the Respondent had reported that she was not living in Michigan and no longer intended to remain a Michigan resident as of March 7, 2013, the Department would have closed her FAP benefits effective May 1, 2013.

This Administrative Law Judge finds that the Department failed to establish by clear and convincing evidence that the Respondent was not eligible for FAP benefits from April 1, 2013, through April 30, 2013.

If the Respondent had reported a change of residency to the Department, the Respondent would not have been eligible for any Food Assistance Program (FAP) benefits as of May 1, 2013. The Department has established that the Respondent intentionally failed to report a change of residency for the purposes of receiving Food Assistance Program (FAP) benefits that the Respondent would not have been eligible to receive otherwise.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

- 1. The Department has established by clear and convincing evidence that the Respondent committed an IPV.
- 2. The Respondent did receive an OI of Food Assistance Program (FAP) program benefits in the amount of \$
- 3. The Department is ORDERED to REDUCE the OI to \$ for the period May 1, 2013, through January 31, 2014, and initiate recoupment procedures in accordance with Department policy.
- 4. It is FURTHER ORDERED that the Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
