Issue No.: 3005; 2005
Case No.: [REDACTED]

ADMINISTRATIVE LAW JUDGE: Susanne E. Harris

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulations, particularly 7 CFR 273.16 and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on May 5, 2015, from Lansing, Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG). The Respondent did not appear at the hearing and it was held in the Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

Did the Respondent commit an Intentional Program Violation (IPV) and thereby receive an over issuance (OI) of the Food Assistance Program (FAP) and Medical Assistance (MA) benefits that the Department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on December 29, 2014 to establish an OI of benefits received by the Respondent as a result of the Respondent having allegedly committed an IPV.
2. The OIG has requested that the Respondent be disqualified from receiving program benefits.
3. The Respondent was a recipient of FAP and MA benefits issued by the Department.

4. On the Redetermination Form signed by the Respondent on May 5, 2013, the Respondent acknowledged her responsibility to truthfully report her circumstances. She did not acknowledge her responsibility to report changes in her household circumstances to the Department, within 10 days.
5. The Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Respondent began using FAP and MA benefits outside of the State of Michigan beginning on May 17, 2013.
7. The OIG indicates that the time period they are considering the OI period is June 1, 2013 to December 31, 2013.
8. During the alleged OI period, the Respondent was issued [REDACTED] in FAP and MA benefits from the State of Michigan. The Department alleges that the Respondent was not eligible for any benefits from Michigan during the OI period.
9. This was the Respondent's first alleged IPV.
10. A notice of hearing was mailed to the Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department of Health and Human Services (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$1000 or more, or
 - the total amount is less than \$1000, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (2012), p. 10.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, there is no signed Assistance Application in evidence, or any other piece of evidence acknowledging that the Respondent was aware of her responsibility to report changes in household circumstances to the Department, within 10 days. As such, this Administrative Law Judge determines that the evidence is insufficient to establish, by a clear and convincing standard, that the Respondent was aware of her reporting responsibilities. Therefore, the evidence is insufficient to establish that the Respondent committed her first IPV.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law concludes that the Department has not established by clear and convincing evidence that Respondent committed an IPV. As such, the Department's actions are NOT UPHELD.
