DEPARTMENT OF HEALTH AND HUMAN SERVICES**

IN THE MATTER OF:

[REDACTED]

Reg. No.: 15-003556
Issue No.: 3005
Case No.: [REDACTED]
Hearing Date: April 28, 2015
County: Wayne (57) Conner

ADMINISTRATIVE LAW JUDGE: Colleen Lack

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on April 28, 2015, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on March 16, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report any household changes that will affect eligibility or benefit amount to the Department.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is August 1, 2012, through January 31, 2013, (fraud period).
7. During the fraud period, the Department alleges that Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's first alleged IPV.
10. A Notice of Hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking overissuances that are not forwarded to the prosecutor.

- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 1, 2014), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 1, 2014), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department has established that Respondent was aware of the responsibility to timely and accurately report to the Department all household changes that will affect eligibility or benefit amount. This includes changes with incarceration status. Department policy requires clients cooperate with the local office in determining initial and ongoing eligibility. Clients must completely and truthfully answer all questions on forms and in interviews. Department policy also requires clients to report any change in circumstances that will affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. BAM 105, (May 1, 2012), pp. 5-7. Respondent's signature on the Redetermination in this record certifies that he was aware of the change reporting responsibilities and that fraudulent participation in benefits could result in criminal or civil or administrative claims. Respondent had no apparent physical or mental impairment that limits understanding or ability to fulfill the reporting responsibilities.

Respondent was not eligible for FAP while he was incarcerated. The record contained verification that Respondent was incarcerated from [REDACTED], through [REDACTED], [REDACTED]. There is no evidence that Respondent timely reported this change to the Department within 10 days, as required per policy. It is understandable that Respondent may have had some limitations in contacting the Department while he was in jail, such as a limited ability to make phone calls. However, the OIG Regulation Agent confirmed that other reporting methods were still available to Respondent, such as sending a letter to the Department or even letting the jail staff know he was a FAP recipient so they could contact the Department to report the incarceration. Accordingly, the Department has established the Respondent committed an IPV by clear and convincing evidence.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15; BEM 708 (April 1, 2014), p. 1. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the evidence of record shows that Respondent committed his first FAP IPV, which carries a 12-month disqualification.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

During the fraud period, the Department alleges that Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and Respondent was entitled to \$ [REDACTED] in such benefits during this time period. Therefore, the Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]. This appears to have been

based on the submitted Benefit Summary Inquiry, which included one month that was not part of the fraud period. Specifically, the fraud period started August 1, 2012; therefore, the July 2012 FAP benefits should not be included in the OI.

In this case, the evidence of record shows that during the above-mentioned fraud period Respondent received an OI of FAP benefits in the amount of \$ [REDACTED]

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of program benefits in the amount of \$ [REDACTED] from the FAP program.

The Department is ORDERED to reduce the OI to \$ [REDACTED] for the period August 1, 2012, through January 31, 2013, and initiate recoupment/collection procedures in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP in accordance with Department policy.
