After due notice, a telephone hearing was held on June 23, 2015, from Lansing, Michigan. Claimant personally appeared and testified. Participants on behalf of the Department of Health and Human Services (Department) included Eligibility Specialist [REDACTED].

ISSUE

Whether the Department properly determined that Claimant was not disabled for purposes of the State Disability Assistance (SDA) benefit program?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- (1) On December 16, 2014, Claimant filed an application for SDA benefits alleging disability.
- (2) On February 27, 2015, the Medical Review Team (MRT) denied Claimant's application for SDA indicating that Claimant's impairments will not prevent employment for 90 days or more.
- (3) On March 5, 2015, the Department sent Claimant notice that his SDA application was denied.
- (4) On April 9, 2015, Claimant filed a request for a hearing to contest the Department's negative action.
- (5) Claimant has a history of chronic irritable bowel syndrome, Crohn's disease, anemia, eczema, hemorrhoids, and depression.

- (6) Claimant is a 51 year old man whose birthday is [REDACTED]. Claimant is 6'1" tall and weighs 175 lbs. Claimant completed two years of college. Claimant last worked in September, 2014.
- (7) Claimant had applied for Social Security disability at the time of the hearing.
- (8) Claimant's impairments have lasted, or are expected to last, continuously for a period of 90 days or longer.
- (9) Claimant's complaints and allegations concerning his impairments and limitations, when considered in light of all objective medical evidence, as well as the record as a whole, reflect an individual who is so impaired as to be incapable of engaging in any substantial gainful activity on a regular and continuing basis.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, was established by 2004 PA 344. The Department administers the SDA program pursuant to 42 CFR 435, MCL 400.10 *et seq.* and Mich Admin Code, Rules 400.3151 – 400.3180. A person is considered disabled for SDA purposes if the person has a physical or mental impairment which meets federal Supplemental Security Income (SSI) disability standards for at least ninety days. Receipt of SSI benefits based on disability or blindness, or the receipt of MA benefits based on disability or blindness, automatically qualifies an individual as disabled for purposes of the SDA program.

Current legislative amendments to the Act delineate eligibility criteria as implemented by department policy set forth in program manuals. 2004 PA 344, Sec. 604, establishes the State Disability Assistance program. It reads in part:

Sec. 604 (1) The department shall operate a state disability assistance program. Except as provided in subsection (3), persons eligible for this program shall include needy citizens of the United States or aliens exempt from the Supplemental Security Income citizenship requirement who are at least 18 years of age or emancipated minors meeting one or more of the following requirements:

(b) A person with a physical or mental impairment which meets federal SSI disability standards, except that the minimum duration of the disability shall be 90 days. Substance abuse alone is not defined as a basis for eligibility.

Specifically, this Act provides minimal cash assistance to individuals with some type of severe, temporary disability which prevents him or her from engaging in substantial gainful work activity for at least ninety (90) days.

A person is disabled for SDA purposes if he:

- Receives other specified disability-related benefits or services, see Other Benefits or Services below, or
- Resides in a qualified Special Living Arrangement facility, or
- Is certified as unable to work due to mental or physical disability for at least 90 days from the onset of the disability.
- Is diagnosed as having Acquired Immunodeficiency Syndrome (AIDS), see Medical Certification of Disability. BEM 261, pp 1-2 (7/1/2014).

"Disability" is:

. . . the inability to do any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. 20 CFR 416.905. [SDA = 90 day duration].

[As Judge] We are responsible for making the determination or decision about whether you meet the statutory definition of disability. In so doing, we review all of the medical findings and other evidence that support a medical source's statement that you are disabled. 20 CFR 416.927(e).

Claimant underwent an independent medical evaluation on [REDACTED], on behalf of the Department. The physician noted Claimant was slightly pale, thin, somewhat gaunt and fatigued appearing. He looked like a man that had recently been quite ill but in recovery. The physician saw no other signs of other conditions that would limit his return to normal activities once acute issues were stabilized. The physician opined that until Claimant's Crohn's disease was stable and his bowels are stable and

less frequent, and his anemia is improved, Claimant will continue to be very fatigued and will struggle to work full time. Timeline is variable, but 3-6 months is not unreasonable, minimally, provide Claimant maintains stability once achieved.

The credible testimony and medical records submitted at hearing verify Claimant is legally disabled for ninety (90) days, and possibly longer. As such, the Department's denial of SDA pursuant to Claimant's December 16, 2014, SDA application cannot be upheld.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department erred in determining that Claimant was not disabled by SDA eligibility standards.

Accordingly, the Department's decision is **REVERSED**, and this case is returned to the local office to determine whether Claimant met all the other financial and non-financial eligibility factors necessary to qualify for SDA.

It is SO ORDERED.
