ADMINISTRATIVE LAW JUDGE: Colleen Lack

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on June 3, 2015, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Family Independence Program (FIP) and Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FIP and FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on April 20, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FIP and FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report to the Department any household changes that affect eligibility, including income changes, as well as when the household income exceeded the FAP Simplified Reporting (SR) limit.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the FIP fraud period is April 1, 2012, through July 31, 2012, (fraud period).
7. During the FIP fraud period, Respondent was issued \$ [REDACTED] in FIP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FIP benefits in the amount of \$ [REDACTED]
9. The Department's OIG indicates that the time period it is considering the FAP fraud period is July 1, 2012, through July 31, 2012, (fraud period).
10. During the FAP fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
11. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
12. This was Respondent's first alleged IPVs.
13. A Notice of Hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Department of

Human Services) administers FIP pursuant to 45 CFR 233-260; MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3101 to .3131.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 1, 2014), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 1, 2014), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department has established that Respondent was aware of the reporting responsibilities. Department policy requires clients cooperate with the local office in determining initial and ongoing eligibility. Clients must completely and truthfully answer all questions on forms and in interviews. Department policy also requires clients to report any change in circumstances that will affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. BAM 105, (December 1, 2011), pp. 5-7. However, for FAP, simplified reporting (SR) groups are required to report only when the group's actual gross monthly income exceeds the SR income limit for their group size. No other change reporting is required. Once assigned to SR, the group remains in SR throughout the current benefit period unless they report changes at their semi-annual contact or redetermination that make them ineligible for SR. SR does not change reporting requirements for any other program. BAM 200 (December 1, 2011), p. 1. Respondent's signature on the Assistance Application in this record certifies that she was aware of the change reporting responsibilities and that fraudulent participation in benefits could result in criminal or civil or administrative claims. Respondent had no apparent physical or mental impairment that limits understanding or ability to fulfill the reporting responsibilities.

On the February 27, 2012, Assistance Application, Respondent reported there was no current employment income. Accordingly, her FIP and FAP eligibility was determined based on Respondent having no earned income. The March 2, 2012, Notice of Case Action issued to Respondent regarding her FAP case indicated that no earned income was included in the FAP budget, the SR limit for her group size was \$ [REDACTED] and reminded Respondent of her responsibility to report changes for both cash and food assistance programs.

The Department verified that Respondent received earned income from employment in the 2nd quarter of 2012. There is no evidence that Respondent timely reported the employment income within 10 days as required for FIP. Further, when this income is

considered, Respondent exceeded the applicable SR limit for FAP. There is no evidence that Respondent timely reported exceeding the SR limit as required for FAP. The verified income from employment was utilized to re-determine FIP and FAP eligibility during the fraud periods.

Respondent's failure to accurately and timely report the income change resulted in an OI of FIP and FAP benefits. Accordingly, the Department has established that Respondent committed an IPV by clear and convincing evidence.

Disqualification

A client who is found to have committed a FIP or FAP IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for other IPV cases involving FIP or FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the evidence of record shows that Respondent committed FIP and FAP IPV; therefore, she is subject to disqualification.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, the evidence of record shows that during the above-mentioned fraud period Respondent received an OI of FIP and FAP benefits in the amount of \$ [REDACTED]

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of program benefits in the amount of \$ [REDACTED] from the FIP and FAP programs.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FIP and FAP in accordance with Department policy.
