IN THE MATTER OF:

Docket No. 15-007478 HHS

Case No. [REDACTED]

[REDACTED],

Appellant.

_____ /

DECISION AND ORDER

This matter is before the undersigned Administrative Law Judge (ALJ) pursuant to MCL 400.9 and 42 CFR 431.200 *et seq.*, upon the Appellant's request for a hearing.

After due notice, a hearing was held on [REDACTED]. Appellant appeared and testified. [REDACTED] line, Appeals Review Officer, represented the Respondent, Michigan Department of Health and Human Services (MDHHS or the Department). [REDACTED], Adult Services Worker appeared as a witness for the Respondent.

ISSUE

Did the Department properly determine that Appellant was not eligible for Home Help Services (HHS)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Appellant filed an application for HHS.
2. Appellant has been diagnosed with diabetes, Hepatitis C, Anxiety, depression and BHP. State's Exhibit A page 11.
3. On [REDACTED] Appellant lacked proper Medicaid coverage (2B) to meet eligibility criteria for the home help program.
4. On [REDACTED], the Adult Services Worker sent Appellant an Advanced Negative Action Notice informing Appellant that he had a Medicaid Spend down that is not being met on a monthly basis and had no Medicaid eligibility. State's Exhibit A page 6.

5. On ██████████, Appellant filed a request for a hearing to contest the negative action.

CONCLUSIONS OF LAW

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

Home help services are available if the client meets all eligibility requirements. An independent living services case may be opened for supportive services to assist the client in applying for Medicaid (MA).

Home help services payments cannot be authorized prior to establishing Medicaid eligibility and completing a face-to-face assessment with the client. Once MA eligibility has been established, the case service methodology **must** be changed to case management.

Home help eligibility requirements include **all** of the following:

- Medicaid eligibility.
- Certification of medical need.
- Need for service, based on a complete comprehensive assessment indicating a functional limitation of level 3 or greater for at least one activity of daily living (ADL).
- Appropriate Level of Care (LOC) status.

Adult Services Manual (ASM) 105, page 1

The Code of Federal Regulations (CFR) affords a Medicaid beneficiary a right to a fair hearing when the Department takes an action that is a denial, reduction, suspension, or termination of a requested or previously authorized Medicaid covered service. *42 CFR 438.400.*

Clients with a scope of coverage 20, 2C, or 2B are not eligible for Medicaid until they have met their MA deductible obligation.

In the instant case, Appellant has requested Home Help Services. The request was denied because Appellant lacks proper Medicaid coverage (2B) to meet eligibility criteria. HHS is a Medicaid covered service. As of yet, there has been no denial, reduction, termination, or suspension of a Medicaid covered service. The Department's

determination to deny Appellant's request for HHS was in accordance with policy found in the Adult Services Manual. The Department may open an independent living services case for supportive services to assist the Appellant in applying for Medicaid in accordance with Department policy. The Department appropriately denied Appellant's request for HHS because Appellant has no Medicaid eligibility. The Department's actions must be upheld.

DECISION AND ORDER

The Administrative Law Judge, based on the above findings of fact and conclusions of law, finds that the Department properly cancelled the Appellant's HHS case based on the available information.

IT IS THEREFORE ORDERED THAT:

The Department's decision is AFFIRMED.
