Participants on behalf of the Department included [REDACTED].

**ISSUE**

Did the Department of Health and Human Services (Department) properly close the Claimant's Medical Assistance (MA) and Medicare Savings Program (MSP) benefits?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Medical Assistance (MA) and Medicare Savings Program (MSP) recipient.
2. On May 18, 2015, the Department sent the Claimant a Verification Checklist (DHS-3503) requesting verification of his bank accounts by May 28, 2015.
3. On May 26, 2015, the Claimant provided a bank statement that did not identify him as the owner.
4. On June 3, 2015, the Claimant provided a bank statement for one account but not for another account.
5. The Department closed the Claimant's Medical Assistance (MA) and Medicare Savings Program (MSP) benefits as of July 1, 2015.

6. On June 10, 2015, the Department received the Claimant's request for a hearing protesting the closure of Medical Assistance (MA) and Medicare Savings Program (MSP) benefits.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Assets means cash, any other personal property and real property. Real property is land and objects affixed to the land such as buildings, trees and fences. Condominiums are real property. Personal property is any item subject to ownership that is not real property. Countable assets cannot exceed the applicable asset limit. An asset is countable if it meets the availability tests and is not excluded. Available means that someone in the asset group has the legal right to use or dispose of the asset. Department of Human Services Bridges Eligibility Manual (BEM) 400 (October 1, 2014), pp 1-7.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (April 1, 2015), p 5.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (October 1, 2014), pp 1-9.

The Claimant was an ongoing MA and MSP recipient when the Department examined his eligibility to receive continuing benefits. On May 18, 2015, the Department sent the Claimant a Verification Checklist (DHS-3503) requesting verification of his bank

accounts by May 28, 2015. On May 26, 2015, the Claimant provided a bank statement that did not identify him as the owner. On June 3, 2015, the Claimant provided a bank statement for one account, but not for another. The Department then closed the Claimant's MA and MSP benefits for failure to provide the Department with information necessary to determine his eligibility to receive benefits.

The Claimant testified that he did not provide verification of a bank account that lists him as an account owner. The Claimant testified that his name appears on this account for convenience sake and that he does not have access to this account.

Cash assets including bank accounts are countable assets unless excludable by policy. An asset is countable if it is legally available to the holder. Since the Claimant's name is on the account, he has legal access to the account making it a countable asset. The Department is required to verify the value of this account or that the account has been closed.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed the Claimant's Medical Assistance (MA) and Medicare Savings Program (MSP) benefits.
