ISSUE

Whether the Department of Health and Human Services (Department) properly sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with employment and/or self-sufficiency related activities?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Family Independence Program (FIP) recipient until June 1, 2015.
2. The Department referred the Claimant to the Partnership Accountability Training Hope (PATH) program as a condition of receiving FIP benefits.
3. The Claimant was noncompliant with the PATH program when she failed to submit documentation that she had completed her assignment for the week of May 13, 2015.
4. The Department conducted a triage meeting on May 19, 2015.

5. On May 13, 2015, the Department notified the Claimant that it would sanction her FIP benefits as of June 1, 2015.
6. The Department received the Claimant's request for a hearing on May 20, 2015, protesting the sanctioning of her FIP benefits.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Department of Human Services) administers FIP pursuant to 45 CFR 233-260, MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3101-.3131.

Federal and state laws require each work eligible individual (WEI) in the FIP group to participate in Partnership. Accountability. Training. Hope. (PATH) or other employment-related activity unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency related activities to increase their employability and obtain employment. PATH is administered by the Workforce Development Agency, State of Michigan through the Michigan one-stop service centers. PATH serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. PATH case managers use the One-Stop Management Information System (OSMIS) to record the clients' assigned activities and participation. Department of Health and Human Services Bridges Eligibility Manual (BEM) 230A (January 1, 2015), p 1.

A WEI who refuses, without good cause, to participate in assigned employment and/or other self-sufficiency related activities is subject to penalties. BEM 230A, p 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- Failing or refusing to:
 - Appear and participate with PATH or other employment service provider.
 - Participate in employment and/or self-sufficiency-related activities.
 - Participate in required activity.
 - Department of Health and Human Services Bridges Eligibility Manual (BEM) 233A (October 1, 2014), pp 2-3.

Good cause is a valid reason for noncompliance with employment and/ or self-sufficiency related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. BEM 233A, pp 3-4.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

Good cause includes the following:

Client Unfit: The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

Illness or Injury: The client has a debilitating illness or injury, or a spouse or child's illness or injury requires in-home care by the client.

Reasonable Accommodation: The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability.

The penalty for noncompliance without good cause is FIP EDG closure. Effective October 1, 2011, the following minimum penalties apply:

- For the individual's first occurrence of noncompliance, Bridges closes the FIP EDG for not less than three calendar months.
- For the individual's second occurrence of noncompliance, Bridges closes the FIP EDG for not less than six calendar months.
- For the individual's third occurrence of noncompliance, Bridges closes the FIP EDG for a lifetime sanction. BEM 233A.

If a participant is active FIP and FAP at the time of FIP noncompliance, determination of FAP good cause is based on the FIP good cause reasons outlined in BEM 233A. For the FAP determination, if the client does not meet one of the FIP good cause reasons, determine the FAP disqualification based on FIP deferral criteria only as outlined in BEM 230A, or the FAP deferral reason of care of a child under 6 or education. Department of Health and Human Services Bridges Eligibility Manual (BEM) 233B (July 1, 2013), p 2.

A noncompliant person must serve a minimum one-month or six-month Food Assistance Program (FAP) disqualification period unless one of the criteria for ending a disqualification early exists. BEM 233B, p 10.

The Claimant was an ongoing Family Independence Program (FIP) recipient until June 1, 2015, and the Department had mandated participation in the PATH program as a condition of receiving FIP benefits. The Claimant was noncompliant with the PATH program when she failed to submit documentation that she had completed her assigned activities for the week of May 13, 2015. The Department conducted a triage meeting on May 19, 2015, where the Claimant was given the opportunity to establish good cause for noncompliance with the PATH program. The Claimant participated in the triage meeting but the Department did not find good cause. On May 13, 2015, the Department notified the Claimant that it would sanction her FIP benefits as of June 1, 2015.

The Claimant argued that she had good cause for failing to complete her assigned activities in May of 2015. The Claimant testified that a relative was in the hospital from May 11, 2015, through May 15, 2015. The Claimant testified that she believes that someone stole or altered her assignment log after she submitted it. The Claimant provided a medical opinion of her treating physician that she is not capable of sitting in a classroom for 8 hours a day for five days a week.

This Administrative Law Judge finds that the Department's definition of good cause does not extend to unexpected hospitalization of an aunt and that this does not justify her failure to complete her assigned activities.

This Administrative law Judge finds that the Claimant failed to present insufficient evidence to establish that he is not capable of participating in the PATH program, or that the Department refused to grant a reasonable accommodation to facilitate her participation.

The Claimant failed to establish that she submitted a completed assignment log that was lost, stolen, or altered.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department's determination that the Claimant was noncompliant with the PATH program without good cause is reasonable. The Department has established that it was acting in accordance with policy when it sanctioned the Claimant's benefits for noncompliance with self-sufficiency related activities.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy when it sanctioned the Claimant's Family Independence Program (FIP) benefits for noncompliance with the Partnership. Accountability Training. Hope. (PATH) program.

Accordingly, the Department's decision is **AFFIRMED**. It is SO ORDERED.
