9. On June 22, 2015, the Department received the Claimant's request for a hearing protesting the closure of Medical Assistance (MA) benefits and the amount of Food Assistance Program (FAP) that she is receiving.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

All earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties for duties that were performed for compensation or profit. Unearned income means all income that is not earned, including but not limited to funds received from the Family Independence Program (FIP), State Disability Assistance (SDA), Child Development and Care (CDC), Medicaid (MA), Social Security Benefits (RSDI/SSI), Veterans Administration (VA), Unemployment Compensation Benefits (UCB), Adult Medical Program (AMA), alimony, and child support payments. The amount counted

may be more than the client actually receives because the gross amount is used prior to any deductions. Department of Human Services Bridges Eligibility Manual (BEM) 500 (July 1, 2014).

Modified adjusted gross income (MAGI) is a methodology for how income is counted and how household composition and family size are determined. It is based on federal tax rules for determining adjusted gross income. It eliminates asset tests and special deductions or disregards. Every individual is evaluated for eligibility based on MAGI rules. The MAGI rules are aligned with the income rules that will be applied for determination of eligibility for premium tax credits and cost-sharing reductions through exchanges. The 5% disregard is the amount equal to 5% of the Federal Poverty Level for the applicable family size. It is not a flat 5% disregard from the income. The 5% disregard shall be applied to the highest income threshold. The 5% disregard shall be applied only if required to make someone eligible for Medicaid.¹

Household income is the sum of the MAGI-based income of every individual included in the individual's household, minus an amount equivalent to 5 percentage points of the Federal poverty level for the applicable family size. 42 CFR 435.603.

The income limit to participate in the Healthy Michigan Plan (HMP) is 133% of the federal poverty level. Department of Health and Human Services Reference Table Manual (RFT) 246 (April 1, 2014), p 1.

The Department presented substantial evidence that the Claimant and her husband receive a total gross monthly income that exceeds 133% of the federal poverty level for a group of two. Therefore, the Department was acting in accordance with policy when it closed the Claimant's Medical Assistance (MA) benefits under the Healthy Michigan Plan (HMP) as of July 1, 2015.

The Claimant receives Retirement, Survivors, and Disability Insurance (RSDI) in the gross monthly amount of 815.90. The Department excludes a deduction from this income for court ordered spousal support. This Administrative Law Judge finds no basis for excluding spousal support from countable income for the purposes of determining eligibility for FAP benefits.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department failed to satisfy its burden of showing that it acted in accordance with Department policy when it determined the Claimant's eligibility for Food Assistance Program (FAP) benefits.
