ISSUE

Did the Department properly close Claimant's Food Assistance Program on July 1, 2015?

Did the Department properly close Claimant's Medical Assistance on July 1, 2015?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- 1. On May 1, 2015, Claimant submitted an application for Food Assistance Program and Medical Assistance benefits.
- On June 16, 2015, Claimant was sent a Notice of Case Action (DHS-1605) which stated her Food Assistance Program would close on July 1, 2015 and a Health Care Coverage Determination Notice (DHS-1606) which stated her Medical Assistance would close on July 1, 2015.

3. On July 23, 2015, Claimant submitted a hearing request about the closure of her FAP and MA.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

During this hearing, Claimant raised a concern about the accuracy of information about his ownership of a business, contained in a Front End Eligibility Investigation (FEE) recommending case closure. There are evidentiary issues with some of the information in the FEE Investigation Report. Review of the application shows that Claimant did not report other factors which have subsequently been discovered and used in determining eligibility on a subsequent application. Specifically, Claimant did not report amounts of gold as assets (page 14) or money from family (page 17). The failure to report these factors stands alone as a valid basis for closure of Claimant's Medical Assistance and Food Assistance Program.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Claimant's Food Assistance Program and Medical Assistance on July 1, 2015.
