Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. **ISSUE**

Did the Department of Health and Human Services (Department) properly deny the Claimant's application for Family Independence Program (FIP) benefits?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On March 31, 2015, the Department received the Claimant's application for Family Independence Program (FIP) benefits.
2. On April 9, 2015, the Department sent the Claimant a Verification Checklist (DHS-3503) requesting that she complete and return a Medical Needs – Path (DHS-54-E) by April 20, 2015.
3. On April 2, 2015, the Department sent the Claimant a PATH Appointment Notice (DHS-4785).
4. On May 13, 2015, the Department notified the Claimant that had denied her application for Family Independence Program (FIP) benefits.

5. On June 23, 2015, the Department received the Claimant's request for a hearing protesting the denial of her Family Independence Program (FIP) application.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Department of Human Services) administers FIP pursuant to 45 CFR 233-260, MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3101-.3131.

Federal and state laws require each work eligible individual (WEI) in the FIP group to participate in Partnership. Accountability. Training. Hope. (PATH) or other employment-related activity unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency related activities to increase their employability and obtain employment. PATH is administered by the Workforce Development Agency, State of Michigan through the Michigan one-stop service centers. PATH serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. PATH case managers use the One-Stop Management Information System (OSMIS) to record the clients' assigned activities and participation. Department of Health and Human Services Bridges Eligibility Manual (BEM) 230A (January 1, 2015), p 1.

A work eligible individual who refuses, without good cause, to participate in assigned employment and/or other self-sufficiency related activities is subject to penalties. BEM 230A, p 1.

Noncompliance of applicants includes failing to appear and participate with PATH or other employment service provider. Department of Health and Human Services Bridges Eligibility Manual (BEM) 233A (October 1, 2014), pp 2-3.

Noncompliance by a work eligible individual while the application is pending results in group ineligibility. BEM 233A.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities

that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

At application or medical review if requested mandatory forms are not returned, the Department cannot make a determination on the severity of the disability and will deny the application or place an approved program into negative action for failure to provide required verifications. Department of Health and Human Services Bridges Administrative Manual (BAM) 815 (July 1, 2015), p 2.

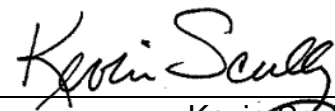

On March 31, 2015, the Department received the Claimant's application for FIP benefits. On April 2, 2015, the Department notified the Claimant that she was required to attend an orientation to the PATH program. Based on the Claimant's report that she is disabled, the Department sent her a Medical Needs – Path (DHS-54-E) and requested that it be returned by April 20, 2015.

The Department did not receive the DHS-54-E and could not make a determination of whether the Claimant is disabled or capable of participating in the PATH program. The Claimant does not dispute that she failed to attend her orientation to the PATH program and this Administrative Law Judge finds that she failed to establish good cause for her noncompliance.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied her application for Family Independence Program (FIP) benefits.

### **DECISION AND ORDER**

Accordingly, the Department's decision is AFFIRMED.
