ISSUE

Did the Department properly process Claimant's December 1, 2014, application for Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- 1. On December 1, 2014, as Authorized Representative, L&S submitted an application for MA benefits on Claimant's behalf, with a request for retroactive coverage to September 2014. (Exhibit A)
- 2. On December 15, 2014, the Department sent Claimant a Health Care Coverage Determination Notice informing her that she was approved for the retro period but ineligible for MA from December 1, 2014, ongoing. (Exhibit B)
- 3. The December 15, 2014, Health Care Coverage Determination Notice was not sent to L&S at any time prior to the hearing.

4. On June 12, 2015, L&S requested a hearing on behalf of Claimant alleging that the Department failed to properly process the MA application.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Additionally, when the Department receives an application for assistance, it is to be registered and processed in accordance with Department policies. The date of application is the date the local office receives the required minimum information on an application or the filing form. BAM 110 (July 2014), pp.4-7, 18-19. Retro MA coverage is available back to the first day of the third calendar month prior to the current or most recent application for MA applicants. BAM 115 (July 2014), pp. 10-13.

Once an application is registered, the Department must certify eligibility results for each program requested within the applicable standard of promptness (SOP). The SOP begins the date the department receives an application/filing form, with minimum required information. The SOP is 45 days for an MA application in which disability is not an eligibility factor and 90 days for an application involving MA in which disability is an eligibility factor, with this date being extended in 60 day intervals by deferral by the Medical Review Team. BAM 115, pp. 1,12-19,22-23. The Department is to notify clients in writing of positive and negative actions by generating the appropriate notice of case action, which is printed and mailed centrally from the consolidated print center. A negative action is a Department action to deny an application or to reduce, suspend or terminate a benefit. After processing an initial application, the Department will notify clients of the approval or denial. BAM 115, pp. 1,18;BAM 220 (October 2014), pp. 1-3.

In this case, the Department testified that the MA application was received and that it was registered and processed. The Department testified that it sent Claimant a Health Care Coverage Determination Notice advising of the Department's decision with respect to Claimant's MA eligibility. (Exhibit B). The Department confirmed that the Notice was sent to Claimant only and that L&S was not provided with an eligibility notice prior to the

hearing. The Department acknowledged that it was aware that L&S was Claimant's Authorized Representative pursuant to BAM 110 and that the Department should have issued a Health Care Coverage Determination Notice to L&S advising of the Department's decision concerning the MA application. BAM 110, pp. 8-12.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with Department policy when it processed Claimant's MA application.

DECISION AND ORDER

Accordingly, the Department's decision is **REVERSED**.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

- 1. Register and process Claimant's December 1, 2014, MA application, retroactive to September 2014 to determine Claimant's eligibility for MA benefits under the most beneficial category;
- 2. Provide Claimant with any MA coverage that she was entitled to receive but did not from September 1, 2014, ongoing; and
- 3. Notify Claimant and L&S of its decision in writing.
